Out in the middle of nowhere a UFO drops out of the sky at a gas station, the aliens not concerned go out of the ship. The ship even has the letters UFO emblazoned on the side. While the owner of the station stands speechless, his young employee goes and fills up their tank and even waves as they pull off. After they're gone the owner looks shocked at his employee. He says, "Do you realize what just happened?"

"Yeah he replied?"

"Didn't you see the letters UFO?"

"Yeah she repeats" and?"

"Do you know what that means?"

"Gee boss, I've been working here for 5 years, of course I know what it means, Unleaded Fuel Only"

A 17 year-old Antartican boy was hired to paint a white line down the middle of the highway. On the first day, he got off to a good start and he painted a white line 7 miles long. The next day, however, he painted a line only 4 miles long. On the third day, he was down to less than a mile. Finally, his friend Max asked him why he was doing less each day. The boy replied, "I guess it takes me longer and longer to get back to the bucket each day."

The Difference...

The difference between men and women....

Let's say a guy named Roger is attracted to a woman named Elaine. He asks her out to a movie; she accepts; they have a pretty good time. A few nights later he asks her out to dinner, and again they enjoy themselves. They continue to see each other regularly, and after a while neither one of them is seeing anybody else.

And then, one evening when they're driving home, a thought occurs to Elaine, and, without really thinking, she says it aloud: "Do you realize that, as of tonight, we've been seeing each other for exactly six months?"

And then there is silence in the car. To Elaine, it seems like a very loud silence. She thinks to herself: Geez, wonder if it bothers him that I said that. Maybe he's been feeling confined by our relationship; maybe he thinks I'm trying to push him into some kind of obligation that he doesn't want, or isn't sure of.

And Roger is thinking: Gosh. Six months.

And Elaine is thinking: But, hey, I'm not so sure I want this kind of relationship, either. Sometimes I wish I had a little more space, so I'd have time to think about whether I really want us to keep going the way we are, moving steadily toward...I mean, where are we going? Are we just going to keep seeing each other at this level of intimacy? Are we heading toward marriage? Toward children? Toward a lifetime together? Am I ready for that level of commitment? Do I really even know this person?

And Roger is thinking:...so, that means it was...let's see...February when we started going out, which was right after I had the car at the dealer's, which means...lemme check the odometer...Whoa! I am way overdue for an oil change here.

And Elaine is thinking: He's upset. I can see it on his face. Maybe I'm reading this completely wrong. Maybe he wants more from our relationship, more intimacy, more commitment; maybe he has sensed-even before I sensed it- that I was feeling some reservations. Yes, I bet that's it. That's why he's so reluctant to say anything about his own feelings. He's afraid of being rejected.

And Roger is thinking: And I'm gonna have them look at the transmission again. I don't care what those morons say, it's still not shifting right. And they better not try to blame it on the cold weather this time. What cold weather? It's 87 degrees out, and this thing is shifting like a garbage truck, and I paid those incompetent thieves \$600.

And Elaine is thinking: He's angry. And I don't blame him. I'd be angry, too. I feel so guilty, putting him through this, but I can't help the way I feel. I'm just not sure.

And Roger is thinking: They'll probably say it's only a 90-day warranty...scumballs.

And Elaine is thinking: Maybe I'm just too idealistic, waiting for a knight to come riding up on his white horse, when I'm sitting right next to a perfectly good person, a person I enjoy being with, a person I truly do care about, a person who seems to truly care about me. A person who is in pain because of my self-centered, schoolgirl romantic fantasy.

And Roger is thinking: Warranty? They want a warranty? I'll give them a warranty. I'll take their warranty and stick it right up their...

"Roger," Elaine says aloud.

"What?" says Roger, startled.

"Please don't torture yourself like this," she says, her eyes beginning to brim with tears. "Maybe I should never have... Oh God, I feel so... (She breaks down, sobbing.)

"What?" says Roger.

"I'm such a fool," Elaine sobs. "I mean, I know there's no knight. I really know that. It's silly. There's no knight, and there's no horse."

"There's no horse???" says Roger.

"You think I'm a fool, don't you?" Elaine says.

"NO!" says Roger, glad to finally know the correct answer.

"It's just that...it's that I...I need some time," Elaine says.

(There is a 15-second pause while Roger, thinking as fast as he can, tries to come up with a safe response. Finally he comes up with one that he thinks might work.)

"Yes," he says.

(Elaine, deeply moved, touches his hand.) "Oh, Roger, do you really feel that way?" she says.

"What way?" says Roger.

"That way about time," says Elaine.

"Oh," says Roger. "Yes."

(Elaine turns to face him and gazes deeply into his eyes, causing him to become very nervous about what she might say next, especially if it involves a horse. At last she speaks.)

"Thank you, Roger," she says.

"Thank you," says Roger.

Then he takes her home, and she lies on her bed, a conflicted, tortured soul, and weeps until dawn, whereas when Roger gets back to his place, he opens a bag of Doritos, turns on the TV, and immediately becomes deeply involved in a rerun of a tennis match between two Czechoslovakians he never heard of. A tiny voice in the far recesses of his mind tells him that something major was going on back there in the car, but he is pretty sure there is no way he would ever understand what, and so he figures it's better if he doesn't think about it.

The next day Elaine will call her closest friend, or perhaps two of them, and they will talk about this situation for six straight hours. In painstaking detail, they will analyze everything she said and everything he said, going over it time and time again, exploring every word, expression, and gesture for nuances of meaning, considering every possible

ramification. They will continue to discuss this subject, off and on, for weeks, maybe months, never reaching any definite conclusions, but never getting bored with it, either.

Meanwhile, Roger, while playing racquetball one day with a mutual friend of his and Elaine's, will pause just before serving, frown, and say: "Norm, did Elaine ever own a horse?"

And that's the difference between men and women.

What is love? :laugh:

Out of the mouths of kids... answers to the question "What does love mean?"
The answers are broader and deeper than anyone would imagine. See what you think:

1. "Love is that first feeling you feel before all the bad stuff gets in the way."
2. "When my grandmother got arthritis, she couldn't bend over and paint her toenails anymore. So my grandfather does it for her all the time, even when his hands got arthritis too. That's love." -Rebecca, age 8
3. "When someone loves you, the way they say your name is different. You know that your name is safe in their mouth." -Billy, age 4
4. "Love is when a girl puts on perfume and a boy puts on shaving cologne and they go out and smell each other." - Kari, age 5
5. "Love is when you go out to eat and give somebody most of your French fries without making them give you any of theirs." -Chrissy, age 6
6. "Love is when someone hurts you. And you get so mad but you don't yell at them because you know it would hurt their feelings."
7. "Love is what makes you smile when you're tired." -Terri, age 4
8. "Love is when my mommy makes coffee for my daddy and she takes a sip before giving it to him, to make sure the taste is OK." -Danny, age 7
9. "Love is when you kiss all the time. Then when you get tired of kissing, you still want to be together and you talk more. My mommy and Daddy are like that. They look gross when they kiss." -Emily, age 8
10. "Love is what's in the room with you at Christmas if you stop opening presents and listen." -Bobby, age 7
11. "If you want to learn to love better, you should start with a friend who you hate." -Nikka, age 6
12. "Love is hugging. Love is kissing. Love is saying no."
13. "When you tell someone something bad about yourself and you're scared they won't love you anymore. But then you get surprised because not only do they still love you, they love you even more."
14. "There are two kinds of love. Our love. God's love. But God makes both kinds of them."
15. "Love is when you tell a guy you like his shirt, then he wears it every day." -Noelle, age 7
16. "Love is like a little old woman and a little old man who are still friends even after they know each other so well." - Tommy, age 6
17. "During my piano recital, I was on a stage and scared. I looked at all the people watching me and saw my daddy waving and smiling. He was the only one doing that. I wasn't scared anymore." -Cindy, age 8
18. "My mommy loves me more than anybody. You don't see anyone else kissing me to sleep at night." -Clare, age 6

-
19. "Love is when mommy gives daddy the best piece of chicken." -Elaine, age 5
20. "Love is when mommy sees daddy smelly and sweaty and still says he is handsomer than Robert Redford." -Chris, age 7
21. "Love is when your puppy licks your face even after you left him alone all day." -Mary Ann, age 4
22. "I know my older sister loves me because she gives me all her old clothes and has to go out and buy new ones."
23. "I let my big sister pick on me because my Mom says she only picks on me because she loves me. So I pick on my baby sister because I love her."
24. "Love cards like Valentine's cards say stuff on them that we'd like to say ourselves, but we wouldn't be caught dead saying."
25. "When you love somebody, your eyelashes go up and down and little stars come out of you." -Karen, age 7
26. "Love is when mommy sees daddy on the toilet and she doesn't think it's gross." -Mark, age 6
27. "You really shouldn't say 'I love you' unless you mean it. But if you mean it, you should say it a lot. People forget." - Jessica, age 8
28. "God could have said magic words to make the nails fall off the cross, but He didn't. That's love."
29. And a great one is the story of a 4-year-old whose next door neighbor was an elderly man who had just lost his wife. When the child saw the man cry, the little boy went over into the man's yard and climbed on top of the man's lap and just sat there. When the boy's mother asked him what he'd said to the neighbor, the little boy said; "Nothing, I just helped him cry."

Kids are pretty smart, aren't they?

For Men - How to Answer Your Woman

Of course this is humor, not meant as advice.
Following any of this literally would probably be dangerous
to both your relationships and your health... ;-)

IT IS SATURDAY, a crisp spring afternoon, and you're exactly where you should be: stretched out on the couch in front of the television, just about to watch all your favourite TV programmes that you've recorded over the last few weeks. Opening beer number two, relaxed in the knowledge that the pizza you ordered is even now on its way. Nothing could improve this moment, except maybe a bigger television. Suddenly your girlfriend enters the room and says, "What exactly do you think you're doing?"

Is this a trick question or what?

Yes, it is. The trick is that no matter how you answer it, you will immediately find yourself driving down to your nearest home improvement centre, where you will spend the rest of the afternoon trying to decide the type of curtain rod that's right for you.

How does this work?

It has as much to do with the nature of the question itself as with anything else. Women are expert at posing questions that seem to have no right answer. Here's a common example.

Do I look fat?

There is no answer to this question that won't be interpreted "yes." "No" means yes. "Yes" means yes. "I don't know" means yes. "It doesn't matter" means yes. The briefest hint of a pause before speaking means yes, yes, yes. Most of us would rather go to the dentist than field this one, yet it may well come up several times a week. Your only real choice is to

say "no," clearly and immediately, leaving no possibility for any subtext, and making it sound like a widely acknowledged fact and not simply your opinion. This doesn't work, but all the other options are worse.

There are several other questions for which "no" is the only answer, and several more that call for an emphatic and unqualified yes. In all of these cases, elaboration, justification or any attempt to be funny is unlikely to pay off.

Consult this handy chart:

JUST SAY NO

- * Is there someone else?
- * Do you still fantasize about her?
- * Are you tired of me?

JUST SAY YES

- * Do you still love me?
- * Do you ever fantasize about me?
- * Do you like my hair this way?

Unfortunately, many female inquiries require more than a simple yes or no response. Some of them are more like riddles. Such as this one:

Which shoes look better?

Typically you're already late for dinner when your girlfriend confronts you, with one pair of shoes on and another alongside them. This is no ordinary choice. It's a devious chicken/egg puzzler, the sort of choice that would lead even Hobson to say to Mrs. Hobson, "Whichever, you old trout!" If you pick the shoes she already has on, she'll think you're trying to hurry her. If you pick the other pair, she'll think it's because you know you can't pick the ones she has on. Some men try a nonlinear approach and opt for a third, unoffered pair of shoes, but this is inevitably taken as either an attack on her judgment or an opportunity for her to attack yours. On no account suggest another dress. You might as well say, "You're fat."

This raises the question of why she's asking you at all. She knows you don't know which shoes look better, and she knows you don't care, so why is she trying to elicit your opinion? This is part of an ongoing campaign to domesticate you. As part of the same campaign, she will occasionally consult you about alternative table settings or new towels. In these two cases a disdainful and dismissive "beats me" should do the trick, but don't try that with the shoe dilemma, or you'll miss your reservation. Instead, suggest that she try on the other shoes, then tell her the first ones look better. This lets you more or less off the hook, as long as you don't raise a fuss when she decides that the second pair are better after all.

Where do you see this relationship going?

This could be described as an essay question, since you're obviously not going to get away with snappy little answers such as "forward" or "upstairs" or "I dunno." Another problem is that you and your girlfriend are operating at cross purposes here. She wants a heartfelt expression of your feelings and an honest assessment of your future together, and you want an easier question. There is certainly no point in answering a toe-curling query like this one without at least a rough idea of precisely what it is she wants to hear. Questions such as this one are a category unto themselves, i.e., Questions that should be answered with another question. See how easily some of the more difficult leading inquiries can be parried through the simple deployment of reflexive interrogation.

Her: Where do you see this relationship going?
You: Where do *you* see this relationship going?

Her: Do you think she's attractive?
You: Who?

Her: Will you marry me?
You: Where am I?

Her: What if I were pregnant?
You: Are you pregnant?
Her: Why? Do I look fat?

Whoops! We're in a bit of trouble here. You should have seen that coming. Try a more surreal approach:

Her: What if I were pregnant?

You: What if *we* were pregnant? (Cool, huh?)

Some all-purpose question-answers include: How much is a lot? Why do you ask? Should I be? What are you saying? Does it matter? What's love got to do with it? Are you talking to me? (Note: Are you having your period? is not one of these.)

Let's try a math question. How many people have you slept with? Hm...Now, you can tell her the truth, unless the truth is more than 12, or you can have a guess at the number she's more or less expecting. Like most arithmetic problems, the answer is a lot easier once you have a formula. This one should work as long as neither of you has sex for a living.

Number of people she's slept with
+ Number of people she knows you've slept with
+ Number of people you actually have slept with.

Add these up and divide by 2. If you round up to the nearest whole person, you should end up with a realistically healthy but not particularly shocking number. If the result is greater than 12, then _say_ 12.

Why don't you lighten up?

This rhetorical gem is used whenever you express your disapproval of shoplifting or speeding, or whenever you go to a nightclub and spend the whole time dancing to some unbelievable crap you've never heard and _then_ go out and _buy_ it! There is no good answer to this question. You could draw attention to her inconsistency in this matter, noting that she doesn't like it when you act like a kid or when you act like your _dad_ (God forbid); then again, if you do that, she's liable to see your point and break up with you. Speaking of breaking up, how about this one?

Are you saying you want to end it?

Women, like lawyers, rarely ask a direct question, unless they already know what the answer will be. As for women lawyers, I don't know what they do, and I'm pretty sure I don't want to know. The point is, when a woman asks you this question, she knows you're going to say no. Even if you want to say yes, you'll say no. You can't turn the question back on her, because you have no idea what her answer is going to be. If you are trying to break up with her, you'll have to say no and start the whole painful process again. If you aren't trying to break up with her, then it's best to change the subject. Let's try something easier.

Notice anything different about me?

Well, slightly easier. This question is of a piece with two others: "Have you forgotten what today is?" and "Have you been listening to a word I've said?" Apart from being questions that are easier to answer wrong than right, they're the kinds of things women say in sitcoms. They are best treated in an ironic postmodern context, i.e., just say what Ward Cleaver would say.

Her: Notice anything different about me?
You: New apron? ... (Ouch!)

Her: Have you forgotten what today is?
You: Of course not. It's Thursday.

Her: Have you been listening to a word I've said?
You: That's nice, dear...

Funny, huh? Well, it's not your fault if she doesn't get it. If she wants a better answer, she's going to have to start asking better questions. Questions such as:

Have you taken a look at yourself lately? This question and its cousin, the almost always uncalled for "Who do you think you are?" are ways of gently reminding you how much of a factor pity was in her original decision to go out with you, and how that decision could be rescinded if you behave in any way that cannot be described as abject. You probably brought this rebuke on yourself by mentioning that you reckon Brad Pitt is getting a little chubby or by speculating that Jack Nicholson doesn't have to wait until his birthday for oral sex. You're not really supposed to answer either of these questions. You're just supposed to apologise for your wanton self-esteem-having. Instead of apologizing, just smile. Your manifold inadequacies as a boyfriend - nay, as a man - are a kind of revenge all by themselves. Next!

Do you believe in fidelity?

Like most philosophical questions that seem to pop up out of the blue, this question doesn't pop up out of the blue. This

general query about fidelity is in fact a coded inquiry about the extent of your fidelity on a specific occasion or occasions. Your response will also have to be coded. Consult this translation chart before giving your answer:

YOU SAY - Yes
YOU MEAN - How much does she know?
SHE THINKS - He's hiding something.

YOU SAY - It depends
YOU MEAN - How much does she know?
SHE THINKS - I knew it!

YOU SAY - Why do you ask
YOU MEAN - How much does she know?
SHE THINKS - Bastard!

YOU SAY - I dunno. Do you?
YOU MEAN - How much does she know?
SHE THINKS - How much does he know?

There are several more variations, but they're not worth going into. By the time she asks you this question, you're already in deep trouble. It doesn't really matter what you say, as long as you don't blush when you answer.

Let's look at an example that calls for more straightforward lying.

What are you looking at?

She means, "You were looking at that girl, weren't you?" And you thought you'd perfected that trick of keeping your neck still and just letting your eyes swivel. Obviously, the truth is not the best answer here. We all know that the truth can set you free, sometimes before you've found somewhere else to stay. It may seem easy enough to answer this question with a cunning lie, but when men are caught offguard, their ability to deceive is impaired.

Here are a few of the more common mistakes men make when asked, "What are you looking at?"

- * Too specific: The rust around the bolts on the handle on the flap of that mailbox on the northwest corner."
- * Not specific enough: "That thing."
- * Too good to be true: "A diamond necklace in that window back there that would be perfect on you."
- * Too true to be good: "A see through nightie in that window back there that would be perfect on you."
- * Too obvious: "Nothing."
- * Way too obvious: "That blonde babe over there with the big...I mean nothing."

Here's one that requires a little interpretation.

What are we going to do now?

This one often crops up whenever some kind of emergency or seemingly unsolvable problem arises. The part that requires interpretation is the mysterious "we" in the middle. This means two things: In one sense, "we" clearly means "you," as in, "What are you going to do now," but there is also a sense of "we're in this together," implying that you bear equal responsibility for the fact that she's just dropped her keys down a grate, or that she stores her jack and spare tire in her garage so they won't get stolen.

In such situations you'll probably find that the only answer to "What are we going to do now?" that you can think of is "We are going to break up. Goodbye." Most likely you'll decide not to say anything. After which she will probably let loose with the rather ill-advised:

Why don't you say something?

Whether you answer this one is up to you. There is only one question that you should never, ever answer. Keep silent, cower behind your Fifth Amendment rights, pretend you didn't hear, run away, whatever, but don't say anything when she asks:

Should I get all of my hair cut off?

If you say anything, then when she does get all her hair cut off (and let's face it, she's already made up her mind) and she hates it (and she will hate it), it will be your fault. Even if you say absolutely nothing, the best you can hope for is that she will come home with all her hair cut off, stare you straight in the eye and say:

Does it make me look fat!!?

.....You're on your own.....

The Men's Guide to What Women Really Mean By...

At long last... The Men's Guide to what a woman really means when she says something. Pay close attention (there WILL be a quiz later).

You want

= You want

We need

= I want

It's your decision

= The correct decision should be obvious by now.

Do what you want

= You'll pay for this later.

We need to talk

= I need to complain

Sure... go ahead**

= I don't want you to.

I'm not upset

= Of course I'm upset, you moron!

You're ... so manly

= You need a shave and you sweat a lot.

You're certainly attentive tonight.

= Is sex all you ever think about?

I'm not emotional! And I'm not overreacting!

= I'm on my period.

Be romantic, turn out the lights.

= I have flabby thighs.

This kitchen is so inconvenient

= I want a new house.

I want new curtains

= and carpeting, and furniture, and wallpaper.....

I need wedding shoes

= the other 40 pairs are the wrong shade of white.

Hang the picture there

= NO, I mean hang it there!

I heard a noise

= I noticed you were almost asleep.

Do you love me?

= I'm going to ask for something expensive.

How much do you love me?

= I did something today you're really not going to like.

I'll be ready in a minute.

= Kick off your shoes and find a good game on T.V.

Is my butt fat?

= Tell me I'm beautiful.

You have to learn to communicate.

= Just agree with me.

Are you listening to me!?

=

Yes

= No

No

= No

Maybe

= No

I'm sorry.

= You'll be sorry.

Do you like this recipe?

= It's easy to fix, so you'd better get used to it.

Was that the baby?

= Why don't you get out of bed and walk him until he goes to sleep.

I'm not yelling!

= Yes I am yelling because I think this is important.

All we're going to buy is a soap dish

= It goes without saying that we're stopping at the cosmetics department, the shoe department, I need to look at a few new pocket books, and OMIGOD those pink sheets would look great in the bedroom and did you bring your checkbook?

(The answer to "What's wrong?")

The same old thing

= Nothing

Nothing

= Everything

Everything

= My PMS is acting up

Nothing, really

= It's just that you're such an jerk

I don't want to talk about it

= Go away, I'm still building up steam

**friedice's note: watchout for the killer variation

Fine... thank you

= You're in the shithouse now. or

= You're dead! :P

Stressed Santa

Ever wonder how the tradition of putting an angel at the top of your tree got started?

Not long ago and far away, Santa was getting ready for his annual trip...but there were problems everywhere. Four of his elves got sick, and the trainee elves did not produce the toys as fast as the regular ones so Santa was beginning to feel the pressure of being behind schedule.

Then Mrs. Claus told Santa that her Mom was coming to visit. This stressed Santa even more.

When he went to harness the reindeer, he found that three of them were about to give birth and two had jumped the fence and were out, heaven knows where. More Stress.

Then when he began to load the sleigh, one of the boards cracked and the toy bag fell to the ground and scattered the toys.

Totally frustrated, Santa went into the house for a cup of coffee and a shot of whiskey. When he went to the cupboard, he found the elves had hit the liquor and there was nothing to drink.

In his frustration, he dropped the coffee pot and it broke into hundreds of little pieces all over the kitchen floor. He went to get the broom and found that mice had eaten the straw it was made from.

Just then the door bell rang and Santa cursed on his way to the door. He opened the door and there was a little angel with a great big Christmas tree. The angel said: "Where would you like to put this tree fat man?"

And that my friend, is how the little angel came to be on top of the Christmas tree.

CSI :KAMPUNG BARU

Ahmad died in a fire and his body was so badly burned that the morgue needed someone to identify the body.

As he had no family, they called up his two best friends, Ah Beng and Kumar.

Ah Beng went in first and the mortician pulled back the sheet.

Ah Beng said, "Wah-lau-eh, he's very barbecued like cha siu.? But if you would roll him over, I will tell you if he's my friend Ahmad or not."

The mortician rolled the body over.

Ah Beng looked at his ass and said, "Heng-ah! No-lah, dat not Ahmad." The mortician was puzzled how he was so sure but he didn't say anything.

He went and got Kumar to check the body.

Kumar looked closely and said, "Aiyoyo, it is true he's burnt very bad, but need you to roll him over and I can confirm if he's my friend, Ahmad."

Again the mortician rolled the body over. Kumar looked down at the ass and said, "Aiyoyo, oh no no, this is definitely not Ahmad."

The mortician, unable to suppress his curiosity any longer, said, "Okay, you have to tell me now - how can you and Ah Beng tell for sure this is not Ahmad?"

Kumar said, "Well, this Ahmad, he had two assholes." "What?!!" the mortician said in disbelief, "He had two assholes?!"

"Oh yes, everyone in the neighbourhood knows this. Every time the three of us go out, people always say, ' Here comes Ahmad with the two assholes'. "

Maybankers :laugh:

One day, three bankers, a Citibanker, one from HSBC and another from Maybank, went for a walk. They were old buddies from school, and they were remembering the tough old days they went as students together.

For no apparent reason, they went into a zoo and passed an elephant. Being from the same field and the same school, there is little bit of peer competition going on, so when he saw this elephant, an idea clicked the Citibanker, he said to the others "Why don't we prove who is the best among us?". The others, of course, agreed.

Then the Citibank said "Let's make a test. Whoever can make this elephant laugh, he works for the best Bank".

They all agreed and started.

Being a pure logical strategist, the Citibanker tried to make the elephant laugh by telling jokes(In this story, the elephant do understand the language, boleh la). Of course it stayed still.

As a more practical guy, the HSBC guy tried to make funny gestures...and the elephant still stood firm. Now, it's the Maybanker turn. Being the tomorrow -can- do- it guy, he whispered something to the elephant, and it laughed at him while pointing its trunk at him. The other two were astonished.

How come this Maybanker beat them? So the HSBC guy said "OK, let's make another test. Let's make this elephant cry". So there they went again.

The Citibanker told sad stories, The HSBC guy made sad gestures, and they fail again. Then, the Maybanker whispered something again in the elephant's ear and it just cried, weeping and patting away.

This can't be, thought the other two. So the Citibanker said "OK, you've won twice. If you can win this test, we will bow to you. Let's make this elephant run".

He went and barked to the elephant orders to run. Of course, it stayed still. The HSBC guy pushes the elephant and stabs it with stake to make it run, it stayed still. So...our Maybanker comes to it and whispers something again in its ear and the elephant ran and ran as fast as it could, as if it was scared to death. The other two surrendered.

"OK, you're the best, pal. You work for a very good Bank; not even our global bankers can beat you. Do tell us your secret".

"Well" said the Maybanker

"The first time I made it laugh, I said "Maybank is the best bank " .

"When I made it cry, I told the elephant how much I get paid".

"And when I made it run scared to death, I said to it, "Why don't you join Maybank?"

THE 5-MINUTE MANAGEMENT COURSE

Lesson 1:

A man is getting into the shower just as his wife is finishing up her shower, when the doorbell rings. The wife quickly wraps herself in a towel and runs downstairs. When she opens the door, there stands Bob, the next-door neighbor. Before she says a word, Bob says, I'll give you \$800 to drop that towel. After thinking for a moment the woman drops her towel and stands naked in front of Bob. After a few seconds, Bob hands her \$800 and leaves. The woman wraps back up in the towel and goes back upstairs. When she gets to the bathroom, her husband asks, Who was that? It was Bob the next door neighbor, she replies. Great, the husband says, did he say anything about the \$800 he owes me?

Moral of the story: if you share critical information with your colleagues and stakeholders, you should be better positioned to prevent avoidable exposure.

Lesson 2:

A priest offered a Nun a lift. She got in and crossed her legs, forcing her gown to reveal a leg. The priest nearly had an accident. After controlling the car, he stealthily slid his hand up her leg. The nun said, Father, remember Psalm 129. The priest removed his hand. But, changing gears, he let his hand slide up her leg again. The nun once again said, Father, remember Psalm 129. The priest apologized, Sorry sister but the flesh is weak. Arriving at the convent, the nun sighed heavily and went on her way. On his arrival at the church, the priest rushed to look up Psalm 129. It said, Go forth and seek, further up, you will find glory.

Moral of the story: Know your job, if you are not well informed in your field, you might miss a great opportunity.

Lesson 3:

A sales rep, an administration clerk, and the manager are walking to lunch when they find an antique oil lamp. They rub it and a Genie comes out. The Genie says, I'll give each of you just one wish. Me first, Me first, says the admin clerk. I want to be in the Bahamas, driving a speedboat, without a care in the world. Puff! She's gone. Me next, Me next, says the sales rep. I want to be in Hawaii, relaxing on the beach with my personal masseuse, an endless supply of Pina Coladas and the love of my life. Puff He's gone. OK, you're up, the Genie says to the manager. The manager says, I want those two back in the office after lunch.

Moral of the story: Always let your boss have the first say.

Lesson 4:

An eagle was sitting on a tree resting, doing nothing. A small rabbit saw the eagle and asked him, Can I also sit like you and do nothing The eagle answered Sure, why not. So, the rabbit sat on the ground below the eagle and rested. All of a sudden, a fox appeared, jumped on the rabbit and ate it.

Moral of the story: To be sitting and doing nothing, you must be sitting very, very high up.

Lesson 5:

A turkey was chatting with a bull. I would love to be able to get to the top of that tree, sighed the turkey, but I haven't got the energy. Well, why don't you nibble on some of my droppings replied the bull. They're packed with nutrients. The turkey pecked at a lump of dung, and found it actually gave him enough strength to reach the lowest branch of the tree. The next day, after eating some more dung, he reached the second branch. Finally after a fourth night, the turkey was proudly perched at the top of the tree. He was promptly spotted by a farmer, who shot him out of the tree.

Moral of the story: Bull Shit might get you to the top, but it won't keep you there.

Lesson 6:

A little bird was flying south for the Winter. It was so cold the bird froze and fell to the ground into a large field. While he was lying there, a cow came by and dropped some dung on him. As the frozen bird lay there in the pile of cow dung, he began to realize how warm he was. The dung was actually thawing him out. He lay there all warm and happy, and soon began to sing for joy. A passing cat heard the bird singing and came to investigate. Following the sound, the cat discovered the bird under the pile of cow dung, and promptly dug him out and ate him.

Moral of the story: Not everyone who shits on you is your enemy. Not everyone who gets you out of shit is your friend. And when you're in deep shit, it's best to keep your mouth shut.

THIS ENDS THE 5-MINUTE MANAGEMENT COURSE

The Secrets of Women's Language:
Key-words and their meanings

(a must-read for any man)

Fine

This is the word women use to end an argument when they feel they are right and you need to shut up. Never use "fine" to describe how a woman looks - this will cause you to have one of those arguments.

Five Minutes

This is half an hour. It is equivalent to the five minutes that your football game is going to last before you take out the trash, so it's an even trade.

Nothing

This means "something," and you should be on your toes. "Nothing" is usually used to describe the feeling a woman has when she wants to cut you, slice you and cover you with hot bacon grease. "Nothing" usually signifies an argument that will last "Five Minutes" and end with the word "Fine".

Go Ahead (with raised eyebrows)

This is a dare so don't be an idiot. One that will result in a woman getting upset over "Nothing" and will end with the word "Fine".

Go Ahead (normal eyebrows)

This means, "I give up" or "Do what you want because I don't give a d*ck". You will get a raised eyebrow "Go Ahead" in just a few minutes, followed by "Nothing" and "Fine" and she will talk to you in about "Five Minutes" when she cools off.

Loud Sigh

This is not actually a word, but is a nonverbal statement often misunderstood by men. A "Loud Sigh" means she thinks you are an idiot, moron or troll at that moment, and wonders why she is wasting her time standing here with your sorry ass, and arguing with you over "Nothing."

Soft Sigh

Again, not a word, but a nonverbal statement. "Soft Sighs" are one of the few things that some men actually understand. She is content. Your best bet is to not to move, flinch or breathe and she will stay content.

Oh

This word followed by any statement is trouble. Example: "Oh, let me get that", or: "Oh, I talked to him about what you were doing last night." If she says "Oh" before a statement, RUN, do not walk, to the nearest exit. Run far, run fast and NEVER EVER look back. She will tell you that she is "Fine" when she is done tossing your PC, DVD player and big screen TV out the 11th floor window, but do not expect her to talk to you for at least two days. "Oh" as the lead to a sentence usually signifies that you are caught in a big ol' greasy lie. Do not try to lie more to get out of it, or you will get raised eyebrows and the statement "Go ahead", all followed by unspeakable acts so hideous they are unprintable.

That's Okay

This is one of the most dangerous statements a woman can make to a man. "That's okay" means she wants to think long and hard before implementing payback. Hell hath no fury as a woman scorned. "That's okay" is often used with the word "Fine" and used in conjunction with a raised eyebrow "Go Ahead". At some point in the near future when she has plotted and planned, you'd better be ready. You're gonna look like a Section 8 eviction, shit all out on the curb. Check your mirrors for the next 6 months. "That's Okay" is often used with the word "Fine" and in conjunction with a "Raised Eyebrow".

Please Do

This is not a statement, it is an offer. A woman is giving you the chance to dig the hole you're in even deeper as you try to come up with an excuse or reason for doing whatever it is you have done. You have a chance to tell the truth ... but don't. Lie like a rug and stick to it like Velcro. **STICK TO THE LIE!!!** But be careful you don't get a "That's okay". If you do,

stick and move baby, stick and move. Skillets and pots will be flyin.

Thanks

A woman is thanking you. Do not faint or pee yourself; just say you're welcome and don't move the rest of the day.

Thanks a Lot

This is much different from "Thanks". A woman will say "Thanks a Lot" when she is really about to "catch a case". It's 'bout to be on, up in here. It signifies that you have hurt her in some cold, callous way. She will probably call her 4 brothers to come over and mop the street with your brains. These words are usually followed by the "Loud Sigh". Be careful not to ask what is wrong after the "Loud Sigh", as she will only tell you "Nothing".

You did WHAT?

This means she found out about that hoochie across town and you'd better crawl out the window and creep up the sidewalk like a cat. She's about to get her piece, so step ... and step hard. Forget your car, just run and hide. You can come back and get your ride. If "You did WHAT?" is followed by "you bastard", hit the floor immediately, cause she's about to set the chamber on that 9 that she keeps under the pillow.

I hope this clears up any misunderstandings...

(obviously written by a man who has gotten in more than his share of trouble...)

note: omg this article is not a joke! Its the absolute truth!

SEX CRAVE HUSBAND

A young wife, who was becoming frustrated with her young husband constant demands for sex, decides to make a schedule for him, to cut down on the amount of times that they will have to make love for the rest of their marriage.

While getting ready for work, she writes on a piece of paper, "Honey, you know I love you, but your never ending requests for sex are leaving me drained and really tired. So I propose that we only have sex on days that start with the letter 'T', to minimise the frequency of our lovemaking sessions. Don't be mad at me honey, just understand where I am coming from, and let me know if my request is too demanding of you."

On her way out the door, she uses a refrigerator magnet and sticks the note to the fridge door, hoping that her sex craved husband will be understanding and accepting of her proposal when he reads it.

Upon returning home, she glances at the refrigerator and notices that her note has been replaced with a note from her husband that reads, "Baby, I didn't realise that I was putting you under so much pressure and I'm sorry. I accept your proposal and have even taken the extra step of listing at the bottom of this letter, those days starting with the letter 'T' to make sure that we are on the same page.

1. TUESDAY
2. THURSDAY
3. TODAY
4. TOMORROW

P.S.

I love you too, and remember it's still TODAY, I am waiting for you upstairs.

It was a stormy night. A guy was driving in some mountains and his car broke down. He stopped it by a tree and walked down the highway looking for help. A headlight started to approach him from behind. He turned back and noticed a car

coming forth very slowly. He walked up to it, opened the door, and sat on the passenger's seat. Then he suddenly notices that there was no driver, but the car was moving!
Before the guy could decide what to do, a sharp turn appeared a few meters before the car and it seemed that the car was going to go off the cliff. The guy trembled in fright, but a pale hand came in from the open window and turned the steering wheel! When the car finished turning around the curve, the hand withdrew. Every time there was a turn, the same hand would come in and guide the wheels of the car to safety.
The guy could not believe all this. As soon as he saw the lights of some rest stop by the road he jumped off the car and ran into a bar, pale, wet, trembling, and telling everybody that he had a most creepy, supernatural experience. Then two young men dripping in mud came into the bar. One saw the guy and said, "Hey, that's the stupid fellow that got in our car while we were pushing."

NYMPHOMANIACS CONVENTION

A man boarded an airplane and took his seat. As he settled in, he glanced up and saw the most beautiful woman boarding the plane. He soon realized she was heading straight towards his seat. As fate would have it, she took the seat right beside his. Eager to strike up a conversation he blurted out, "Business trip or pleasure?" She turned, smiled and said, "Business. I'm going to the Annual Nymphomaniacs of America Convention in Chicago." He swallowed hard. Here was the most gorgeous woman he had ever seen sitting next to him and she was going to a meeting of nymphomaniacs! Struggling to maintain his composure, he calmly asked, "What's your business role at this Convention?" "Lecturer," she responded "I use information that I have learned from my personal experiences to debunk some of the popular myths about sexuality." "Really?" he said. "And what kind of myths are there?" "Well, she explained, "one popular myth is that African American men are the most well-endowed of all men, when in fact it is the Native American Indian who is most likely to possess that trait... Another popular myth is that Frenchmen are the best lovers, when actually it is the men of Jewish descent who are the best... I have also discovered that the lover with absolutely the best stamina is the Southern Redneck." Suddenly the woman became a little uncomfortable and blushed. "I'm sorry," she said, "I shouldn't really be discussing all of this with you. I don't even know your name.

"Tonto," the man said, "Tonto Goldstein, but my friends call me Bubba."

Men Never Listen

On a flight to Chicago, a gentleman had made several attempts to get into the men's rest-room, but it had always been occupied. The flight attendant noticed his predicament.

Sir, she said, "You may use the ladies room if you promise not to touch any of the buttons on the wall."

He did what he needed to, and as he sat there he noticed the buttons he had promised not to touch!

Each button was identified by letters WW, WA, PP, and a red one labelled ATR.

Who would know if he touched them? He couldn't resist.

He pushed WW. Warm water was sprayed gently upon his bottom.

What a nice feeling, he thought.

Men's rest-rooms don't have nice things like this.

Anticipating greater pleasure, he pushed the WA button.

Warm air replaced the warm water, gently drying his underside.

When this stopped, he pushed the PP button.

A large! Powder Puff caressed his bottom adding a fragile scent of spring flowers to this unbelievable pleasure.

The ladies rest-room was more than just a rest-room, it is a tender and loving pleasure.

When the powder puff completed its pleasure, he couldn't wait to push the ATR button which he knew would be supreme ecstasy.

The Next thing he knew he was in a hospital, as soon as he opened his eyes. A nurse was staring down at him with a smirk on her face.

"What happened?" he exclaimed.

"You pushed one too many buttons,"replied the nurse. "The last button marked ATR was an Automatic Tampon Remover.

Your dick is under your pillow."

Men Never Listen..... :laugh:

How to settle your hotel bills

A husband and wife are traveling by car from Key West to Boston. After almost twenty-four hours on the road, they're too tired to continue,and they decide to stop for a rest.

They stop at a nice hotel and take a room, but they only plan to sleep for four hours and then get back on the road. When they check out four hours later, the desk clerk hands them bill for \$350.

The man explodes and demands to know why the charge is so high. He tells the clerk although it's a nice hotel, the rooms certainly aren't worth \$350.

When the clerk tells him \$350 is the standard rate, the man insists on speaking to the Manager.

The Manager appears, listens to the man, and then explains that the hotel has an Olympic-sized pool and a huge conference center that were available for the husband and wife to use.

But we didn't use them, the man complains. 'Well, they are here, and you could have,' explains the Manager. He goes on to explain they could have taken in one of the shows for which the hotel is famous. 'The best entertainers from New York Hollywood and Las Vegas perform here,' the Manager says.

'But we didn't go to any of those shows,' complains the man again. 'Well, we have them, and you could have,' the Manager replies.

No matter what facility the Manager mentions, the man replies, 'But we didn't use it!' The Manager is unmoved, and eventually the man gives up and agrees to pay. He writes a check and gives it to the Manager.

The Manager is surprised when he looks at the check. 'But Sir,' he says, this check is only made out for \$50.'

'That's correct,' says the man. 'I charged you \$300 for sleeping with my wife.'

'But I didn't!' exclaims the Manager.

'Well, too bad,' the man replies. 'She was here and you could have.' :laugh:

A policeman who was watching the scene walks over and says: "You are a hero, tomorrow you can read it in all the newspapers: "Brave New Yorker saves the life of little girl".

The man says: "But I am not a New Yorker!"

Oh then it will say in newspapers in the morning:

"Brave American saves life of little girl" the policeman answers.

"But I am not an American!" - says the man. Oh, what are you then?"

The man says: "I am a Pakistani!"

The next day the newspapers say: "A Terrorist kills innocent American dog".

'GUARANTEE NO SPOILT'

See no buy!!!!!!

A man went on a business to China and wanted to buy some gifts for his kids. He went to a shop and found a nice looking CD player. Wary of buying inferior goods, he asked the shopkeeper, 'What would happened if this does not work?'

The shopkeeper quietly points to the only sign in English that reads: 'GUARANTEE NO SPOILT'

Feeling assured, he paid for the CD player and returns to his hotel. He tried to use the CD player after returning to the hotel but it would not even switch on.

He quickly return to the shop and asked for a refund or an exchange for another unit. When the shopkeeper refused to give either, the man points to the sign assuring him of a guarantee.

The shopkeeper then said, 'Brother, you are in China. We read from the right to the left.'

An old lady was standing at the railing of the cruise ship, holding her hat tight so it wouldn't blow away in the wind. A gentleman approached her and said, "Pardon me, madam. I do not intend to be forward but did you know that your dress is blowing up in this high wind?"

"Yes, I know," said the lady. "I need both my hands to hold onto this hat."

"But madam, you must know that you are not wearing any panties and your privates are exposed!" said the gentleman in earnest.

Re: The Thimble

One day, when a seamstress was sewing while sitting close to a river, her thimble fell into the river. When she cried out, the Lord appeared and asked, "My dear child, why are you crying?" The seamstress replied that her thimble had fallen into the water and that she needed it to help her husband in making a living for their family. The Lord dipped His hand into the water and pulled up a golden thimble set with sapphires.

"Is this your thimble?" the Lord asked The seamstress replied, "No" The Lord again dipped into the river. He held out a golden thimble studded with rubies. "Is this your thimble?" the Lord asked. Again, the seamstress replied, "No" The Lord reached down again and came up with a leather thimble. "Is this your thimble?" the Lord asked. The seamstress replied, "Yes!" The Lord was pleased with the woman's honesty and gave her all three thimbles to keep, and

the seamstress went home happy.

Some years later, the seamstress was walking with her husband along the riverbank, and her husband fell into the river and disappeared under the water. When she cried out, the Lord again appeared and asked her, "Why are you crying?" "Oh Lord, my husband has fallen into the river!"

The Lord went down into the water and came up with George Clooney. "Is this your husband?" the Lord asked. "Yes," cried the seamstress. The Lord was furious. "You lied! That is an untruth!" The seamstress replied, "Oh, forgive me, my Lord. It is a misunderstanding. You see, if I had said 'no' to George Clooney, you would have come up with Brad Pitt. Then if I said 'no' to him, you would have come up with my husband. Had I then said 'yes' you would have given me all three. Lord, I'm not in the best of health and would not be able to take care of all three husbands, so That's why I said 'yes' to George Clooney. And so the Lord let her keep him.

The moral of this story is:

Whenever a woman lies, it's for a good and honorable reason, and in the best interest of others. That's our story, and we're sticking to it! :P

There was this couple that had been married for 20 years. Every time they made love the husband always insisted on shutting off the light. Well, after 20 years the wife felt this was ridiculous.

She figured she would break him out of this crazy habit. So one night, while they were in the middle of a wild, screaming, romantic session she turned on the lights.

She looked down. and saw her husband was holding a battery-operated leisure device... a vibrator! Soft, wonderful and larger than a real one. She went completely ballistic.

'You impotent bastard,' She screamed at him, 'how could you be lying to me all of these years? You better explain yourself!' The husband looks her straight in the eyes and says calmly:
'I'll explain the toy . . . you explain the kids.'

VOTE WISELY IN THE COMING ELECTION

=====

While walking down the street one day a Malaysian Boleh Minister is tragically hitby a truck and dies.

His soul arrives in heaven and is met by St. Peter at the entrance.

"Welcome to heaven," says St. Peter. "Before you settle in, it seems there is a problem. We seldom see a high official around these parts, yousee, so we're not sure what to do with you."

"No problem, just let me in," says the man.

"Well, I'd like to, but I have orders from higher up. What we'll do is have you spend one day in hell and one in heaven. Then you can choose where to spend eternity."

"Really, I have made up my mind. I want to be in heaven," says the Yang Berhormat

"I'm sorry, but we have our rules," says St. Peter.

And with that, St. Peter escorts him to the elevator and he goes down, down, down to hell. The doors open and he finds himself in the middle of a green golf course. In the distance is a clubhouse and standing in front of it are all his friends and other politicians who had worked with him.

Everyone is very happy and dressed in the finest batik there is. They run to greet him, shake his hand, and reminisce about the good times they had while getting rich at the expense of the people. They play a friendly game of golf and then indulge themselves on lobsters, caviar and the most expensive food there is.

Also present is the devil, who really is a very friendly guy who has a good time dancing and telling jokes. They are having such a good time that before he realizes it, it is time to go.

Everyone gives him a hearty farewell and waves while the elevator rises.

The elevator goes up, up, up and the door reopens on heaven where St. Peter is waiting for him.

"Now it's time to visit heaven."

So, 24 hours pass with the Yang Berhormat joining a group of contented souls moving from cloud to cloud, playing the harp and singing. They have a good time and, before he realizes it, the 24 hours have gone by and St. Peter returns.

"Well, then, you've spent a day in hell and another in heaven. Now choose your eternity."

The Yang Berhormat reflects for a minute, then he answers: "Well, I would never have said it before, I mean heaven has been delightful, but I think I am better off in hell."

So St. Peter escorts him to the elevator and he goes down, down, down to hell. Now the doors of the elevator open and he's in the middle of a barren land covered with waste and garbage.

He sees all his friends, dressed in rags, picking up the trash and putting it in black bags as more trash falls from above.

The devil comes over to him and puts his arm around his shoulder.

"I don't understand," stammers the Yang Berhormat. "Yesterday I was here and there was a golf course and clubhouse, and we ate lobster and caviar, drank champagne, and danced and had a great time. Now there's just a wasteland full of garbage and my friends look miserable. What happened?"

The devil looks at him, smiles and says, "Yesterday we were campaigning just like you during an election..... Today you voted."

The old priest lay dying in the hospital.

For years He had faithfully served the people of the nation's capital. He motioned for his nurse to come near.

"Yes, Father?" said the nurse.

"I would really like to see Khairy and Samy Velu before I die", whispered the priest.

"I'll see what I can do, Father" replied the nurse.

The nurse sent the request to them and waited for a response. Soon the word arrived. Khairy and Samy would be delighted to visit the priest.

As they went to the hospital, Khairy commented to Samy "I don't know why the old priest wants to see us, but it will certainly help our images."

Samy couldn't help but agree.

When they arrived at the priest's room, the priest took Samy's hand in his right hand and Khairy's hand in his left. There was silence and a look of serenity on the old priest's face.

Finally Samy spoke. "Father, of all the people you could have chosen, why did you choose us to be with you as you near the end?"

The old priest slowly replied "I have always tried to pattern my life after our Lord and Savior Jesus Christ."

The old priest continued..."He died between two lying thieves. I would like to do the same."

A man escapes from prison where he has been for 15 years. He breaks into a house to look for money and guns and finds a young couple in bed.

He orders the guy out of bed and ties him to a chair, while tying the girl to the bed he gets on top of her, kisses her neck, then gets up and goes into the bathroom. While he's in there, the husband tells his wife:

"Listen, this guy's an escaped convict, look at his clothes! He probably spent lots of time in jail and hasn't seen a woman in years. I saw how he kissed your neck." If he wants sex, don't resist, don't complain, do whatever he tells you. Satisfy him no matter how much he nauseates you. This guy is probably very dangerous. If he gets angry, he'll kill us. Be strong, honey. I love you."

To which his wife responds: "He wasn't kissing my neck. He was whispering in my ear. He told me he was gay, thought you were cute, and asked me if we had any vaseline. I told him it was in the bathroom. Be strong honey. I love you too!!"

How Long

An old but still ruggedly handsome Sergeant Major found himself at a gala event hosted by a local liberal arts college. There was no shortage of extremely young, idealistic ladies in attendance, one of whom approached the Sergeant Major for conversation. "Excuse me, Sergeant Major, but you seem to be a very serious man. Is something bothering you?"

"Negative, ma'am. Just serious by nature."

The young lady looked at his awards and decorations and said, "It looks like you have seen a lot of action."

"Yes, ma'am, a lot of action."

The young lady, tiring of trying to start up a conversation, said, "You know, you should lighten up a little. Relax and enjoy yourself."

The Sergeant Major just stared at her in his serious manner. Finally, the young lady said, "You know, I hope you don't take this the wrong way, but when is the last time you had sex?"

"1955, ma'am."

"Well, there you are. You really need to chill out and quit taking everything so seriously!? I mean, no sex since 1955!?"

Feeling charitable and a little bit drunk, she took his hand and led him to a private room where she proceeded to "relax" him several times. Afterwards, panting for breath, she leaned against his bare chest and said, "Wow, you sure didn't

A captain in the foreign legion was transferred to a desert outpost. On his orientation tour he noticed a very old, seedy looking camel tied out back of the enlisted men's barracks. He asked the sergeant leading the tour, "What's the camel for?" The sergeant replied, "Well sir, it's a long way from anywhere, and the men have natural sexual urges, so when they do, we have the camel." The captain said, "Well, if it's good for morale, then I guess it's all right with me." After he had been at the fort for about 6 months, the captain could not stand it anymore, so he told his sergeant, "BRING IN THE CAMEL!!!" The Sarge shrugged his shoulders and led the camel into the captain's quarters. The captain got a foot stool and proceeded to have vigorous sex with the camel. As he stepped, satisfied, down from the stool and was buttoning his pants he asked the sergeant, "Is that how the enlisted men do it?"

The sergeant replied, "Well sir, they usually just use it to ride into town."

Sales people

A new sales assistant was hired at a large department store. On his first day, the sales manager took him around to show him the ropes. They were passing by the gardening section, when they heard a customer asking for grass seed. The sales manager stepped in.

Sales manager: Excuse me, but will you be needing a hose to water your lawn?

Customer : I guess so. I'll take one.

Sales manager: And how about some fertilizer and weed-killer?

Customer : Um, okay.

Sales manager: Here's a couple of bags. You'll also need a lawn mower to cut the grass when it starts growing too long.

Customer : I'll take one of those too.

After the customer left, the sales manager turned to the assistant. "You see?" he said, "that's the way to make a good sale. Always sell more than what the customer originally came in for."

Impressed, the assistant headed off for the pharmaceutical section, where he was to work. Soon, a man strolled in.

Man: I'd like to buy a pack of Tampax, please.

Sales assistant: Sure, and would you like to buy a lawn mower too?

Man: Why would I want to do that?

Sales assistant: Well, your weekend's shot to hell anyway, so you might as well mow the lawn.

A keen country lad applied for a salesman's job at a city department store. At the end of his first day on the job his boss fronted up and asked, "How many sales did you make today?"

"One," said the young salesman.

"Only one," blurted the boss, "Most of my staff make 20 or 30 sales a day. How much was the sale worth?"

"100,000 dollars," said the young man.

"How did you manage that?" asked the flabbergasted boss.

"Well," said the salesman "this man came in and I sold him a small fish hook, then a medium hook and finally a really large hook. Then I sold him a small fishing line, a medium one and a huge big one. I asked him where he was going fishing and he said down the coast. I said he would probably need a boat, so I took him down to the boat department and sold him that twenty foot schooner with the twin engines. Then he said his Volkswagen probably wouldn't be able to pull it, so I took him to the car department and sold him the new Deluxe Cruiser."

The boss took two steps back and asked in astonishment, "You sold all that to a guy who came in for a fish hook?"

"No," answered the salesman "He came in to buy a box of Tampons for his wife and I said to him, 'Your weekend's shot, you may as well go fishing.'"

Jokes - Three guys in a desert

Posted by Creedence - 2008/02/29 17:49

There are these three guys in a desert dying of dehydration. Off in the horizon they see a house and finally manage to struggle to it. The first guy goes up to the door to ask for water. The door is opened by this really old, wart-covered, puss covered, scaly, toothless old woman.

"C-c-c-can I h-h-h-have some w-w-w-water for me and m-my friends?" he asks.

She replied, "I will... if you have sex with me."

The guy pukes all over the woman and runs back to his friends.

"You guys would not believe who answered the door. Some really gross old lady!" he tells them. "She said we could have water if I had sex with her."

"Why didn't you then?" asks the second guy.

"Because she was so ugly, I was sick and couldn't do it!"

"Oh, you are such a wuss. I'll go up to the door," the second guy says.

He goes up to the door and rings the bell. The old hag answers.

"W-w-w-w-w-waaaaaa....." He uses all of his will power to not hurl.

"Water? Yes, I have water," she says knowingly. "But you have to have sex with me."

"AAAAUUUUUUUGGGGGGGGHHHHHHHH!!"

He runs back to his friends and before he could say a word, the third guy goes to the door and rings the bell.

"What do you want for some water?"

"You have to have sex with me."

Knowing that if he doesn't do something, he and his friends will all die. So he follows the lady into her kitchen.

"Do me here," she told him.

He sees 3 ears of corn on the counter and gets an idea.

"Lay back and close your eyes. And keep them closed!"

The witch lays back and spreads her legs. The guy nearly pukes after seeing this. He picks up an ear of corn and screws her with it. Finally she is finished. He throws the corn out the window.

"Oh, God. That was the best orgasm of my life. If you do that again I will give you a million dollars."

"Then lay back and close your eyes again."

This she does and he does her with the second ear of corn until she is satisfied. Then he throws it out the window. This time she doesn't even open her eyes.

"If you do that again, I will give you a Jeep so you can get out of the desert."

"Eyes closed," he says.

Then he does her with the last piece of corn. He brings her to multiple orgasms.

"Ohhhhhhhh..... The water, money and Jeep are outside," she says as she squirms in ecstasy.

So he runs like hell outside and grabs the water and money and jumps into the Jeep. He wonders where his friends are and drives around to find them. He finds them by the window.

One of the guys says to him, "Hey, man. I hope you had fun. We just ate the three best pieces of buttered corn you could

have imagined!"

Two guys are in a strip joint, one is sitting in front of the other. A woman comes on stage and starts stripping. The guy in back, Paul, says, "Oh yeah, Oh yeah!"

Then the first guy turns around and says, " Hey Paul, shut up!"

Then two women come out and start stripping. Paul, once again, starts, "Yeah baby..mmmm....yeah!"

Once again the guy in front turns around and tells Paul to be quiet. So three women come out and start stripping. Paul is silent.

The guy in front says, "Hey Paul, where's all your excitement now?"

Paul says, "All over your back!" :laugh:

Jokes - Social Security

Posted by Creedence - 2008/02/29 17:57

Social Security

A retired gentleman went to apply for Social Security.

After waiting in line for quite a long time he arrived at the counter. The woman behind the counter asked him for his identification to verify his age. He looked in his pockets and realised he had left his wallet at home. He told the woman that he seemed to have left his wallet at home. "Will I have to go home and come back now?" he asks.

The woman says, "Unbutton your shirt."

He opens his shirt revealing lots of curly silver hair.

She says, "That silver hair on your chest is proof enough for me," as she processes his Social Security application.

When he gets home, the man excitedly tells his wife about his experience at the Social Security office. She says, "You should have dropped your pants -- you might have qualified for disability, too." :laugh:

A woman decides to have a facelift for her 50th birthday. She Spends \$15,000 and feels pretty good about the results. On her way home, she stops at a newsstand to buy a newspaper.

Before leaving, she says to the clerk, "I hope you don't mind my asking, but how old do you think I am?" "About 32," is the reply. "Nope! I'm exactly 50," the woman says happily.

A little while later she goes into McDonald's and asks the counter girl the very same question. The girl replies, "I'd guess about 29." The woman replies with a big smile, "Nope, I'm 50."

Now she's feeling really good about herself. She stops in a drug store on her way down the street. She goes up to the counter to get some mints and asks the clerk this burning question.

The clerk responds, "Oh, I'd say 30." Again she proudly responds, "I'm 50, but thank you!"

While waiting for the bus to go home, she asks an old man waiting next to her the same question. He replies, "Lady, I'm 78 and my eyesight is going.

Although, when I was young, there was a surefire way to tell how old a woman was. It sounds very forward, but it requires you to let me put my hands under your bra. Then, and only then can I tell you EXACTLY how old you are."

They wait in silence on the empty street until her curiosity gets the best of her. She finally blurts out, "What the hell, go ahead."

He slips both of his hands under her blouse and begins to feel around very slowly and carefully. He bounces and weighs each breast and he gently pinches each nipple. He pushes her breasts together and rubs them against each other.

After a couple of minutes of this, she says, "Okay, okay... How old am I?" He completes one last squeeze of her breasts, removes his hands, and says, "Madam, you are 50."

Stunned and amazed, the woman says, "That was incredible, how could you tell?" The old man says, "Promise you won't get mad?"

"I promise I won't" she says. "I was behind you in line at McDonald's.:laugh: :laugh:"

The Lost Dog and the Leopard

Posted by Creedence - 2008/03/06 23:55

The Lost Dog and the Leopard

A wealthy man decides to take a hunting safari in Africa and takes his faithful dog with him so he doesn't feel so lonely out in the middle of the bush. The first day out on the expedition the dog starts chasing butterflies absentmindedly and before long discovers that he has become separated from the safari group. He starts wandering around in the wilderness, lost, when he suddenly notices a leopard a little way off, heading rapidly in his direction, with the obvious intention of making a meal out of him.

"Now I'm in deep doodoo!" thinks the dog, and starts wracking his brains to figure a way out of his dire situation. He notices some bones nearby, and an idea hits him: He settles down comfortably to chew on the bones, with his back to the leopard. Just as the leopard is about to pounce, the dog exclaims loudly: "Man, that was one delicious leopard I just ate! I wonder if there's any more around here?"

Hearing this, the leopard halts his attack in mid stride, a look of terror on his face, and quietly slinks off into the bush again, thinking: "Whew! That was close! That demon dog almost got me!".

Meanwhile, a monkey that had been watching the whole scene from the top of a nearby tree, figures he can put his information to good use, and trade it with the leopard for protection. So off he scuttles, but the dog sees him heading after the leopard at great speed, and figures something is going on.

The monkey soon catches up with the leopard, cuts a deal, and tells him the whole story. The leopard, furious at being fooled so easily, exclaims: "That dog! I'm gonna get him for that! So the stupid dog thinks he can make a fool of me, lord of the wilderness, does he? We'll show him who eats who around here! Come on, monkey: jump on my back, and we'll go get him!" The monkey jumps on, and the two of them head off in search of the dog.

The dog sees the leopard coming from a long way off, this time with the monkey on his back. "What a sneaky little monkey!", thinks the dog to himself. "Now what am I going to do?" But instead of running, the dog sits down on the ground, his back to the attackers, pretending he hasn't seen them yet, and waits for them to get close enough to hear him. "Where's that rascal monkey!" exclaims the dog, loudly, "Never can trust him! I sent him off half an hour ago to bring me another leopard, and he's still not back!!"

If Dogs Sent Letters to God

Dear God,

How come people love to smell flowers, but seldom, if ever, smell one another? Where are their priorities?

When we get to Heaven, can we sit on your couch? Or is it the same old story?

Excuse me, but why are there cars named after the jaguar, the cougar, the mustang, the colt, the stingray, and the rabbit, but not one named for a dog? How often do you see a cougar riding around? We dogs love a nice ride! I know every breed cannot have its own model, but it would be easy to rename the Chrysler Eagle the Chrysler Beagle!

If a dog barks his head off in the forest and no human hears him, is he still a bad dog?

Is it true that in Heaven, dining room tables have on-ramps?

Are there mailmen in Heaven? If there are, will I have to apologize?

If we come back as humans, is that good, or bad?

More meatballs, less spaghetti, please.

When we get to the Pearly Gates, do we have to shake hands to get in?

We dogs can understand human verbal instructions, hand signals, whistles, horns, clickers, beepers, scent IDs, electromagnetic energy fields, and Frisbee flight paths. What do humans understand?

Are there dogs on other planets or are we alone? I have been howling at the moon and stars for a long time, but all I ever hear back is the beagle across the street!

Is it true that dogs are not allowed in restaurants because we can't make up our minds what NOT to order? Or is it the carpet thing, again?

Dear God, May I have my testicles back?

If Dogs Sent Letters to God - Answered!

If Dogs Sent Letters to God - Answered!

(This version adds made-up answers 'from God' as written by my friend Kyle Powderly. And, while he is a pastor, his weird sense of humor probably invalidates any guarantee of theological correctness. ;-)

Dear God,

How come people love to smell flowers, but seldom, if ever, smell one another? Where are their priorities?

I know - I created them with free will and the first thing they do is get all uptight about That Place, especially when it comes to Me. They act like I've never seen one. Seen 'em all. Enjoy the sniffing!

When we get to Heaven, can we sit on your couch? Or is it the same old story?

Couch, chair, Throne of Grace - wherever. And don't worry about shedding. The apostle John got it all wrong - I didn't cast Satan into a lake of fire: I gave him a dustbuster and am making him vacuum up dog fur for all eternity. Well, that and clean my cats' litter boxes. Now THERE'S eternal torment.

Excuse me, but why are there cars named after the jaguar, the cougar, the mustang, the colt, the stingray, and the rabbit, but not one named for a dog? How often do you see a cougar riding around? We dogs love a nice ride! I know every breed cannot have its own model, but it would be easy to rename the Chrysler Eagle the Chrysler Beagle!

Why would you want a dog name associated with a car? Cars are unreliable, capricious, ill-natured, constantly breaking down - I'm surprised humans haven't named all their cars after cats. Well, maybe except for Hondas and Toyotas. How about the Honda Retriever or the Toyota Mutt? Remind me to get the Pope to put that in his next encyclical.

If a dog barks his head off in the forest and no human hears him, is he still a bad dog?

No, but if you bark your head off in the forest in the Philippines, it makes you dinner.

Is it true that in Heaven, dining room tables have on-ramps?

Yep. Like you, I like to get a good running start at my dinner.

Are there mailmen in Heaven? If there are, will I have to apologize?

There's maybe one or two mail carriers here, but if memory serves me, considering how lousy the post office's efforts are, I think most postal employees ended up somewhere, um, less hospitable. With dustbusters.

If we come back as humans, is that good, or bad?

Bad dog! What would you rather have: a life of running after stuff, sleeping, eating, barking at things, or one of paying bills, working long hours at a job you don't really care about, waging wars, dealing with politicians, all that? Besides, do you know that humans can't lick themselves clean like you can? (I had to take that out of their design because of the whole uptightness-about-sex-thing.)

More meatballs, less spaghetti, please.

Oh yeah, remind me to mention that to the Pope also.

When we get to the Pearly Gates, do we have to shake hands to get in?

No, but I will expect that you'll let me scratch your belly!

We dogs can understand human verbal instructions, hand signals, whistles, horns, clickers, beepers, scent IDs, electromagnetic energy fields, and Frisbee flight paths. What do humans understand?

Two things: diddly and squat. I gave 'em free will, made them the second-most amazing creatures in Creation (next to Yours Truly), put 'em in paradise, and they promptly screwed it up and have chosen to do so in every generation since. This guy Augustine thought that idea of Original Sin had to do with sex, but I know that Original Sin is the passing on of bull-headed stupidity. See the writings of one of my creations by the name of Douglas Adams, and his stuff on dolphins. Makes me fall off my Throne laughing every time I read it!

Are there dogs on other planets or are we alone? I have been howling at the moon and stars for a long time, but all I ever hear back is the Poodle across the street!

Poodles. What the HECK was I thinking when I made the poodle?!? And THEN, humans go and miniaturize them. Creepy! Oh, your question, right. I can't really reveal much at this point (just in case one of you accidentally says something to a human), but let's just say that the humans in the Middle Ages weren't too far off the mark when they named Sirius the Dogstar...

Is it true that dogs are not allowed in restaurants because we can't make up our minds what NOT to order? Or is it the

carpet thing, again?

Well, it depends what restaurant you try to get into. The Americans are all uptight about the fur thing in their food. (By the way, I'm doing some alterations to the laws of sub-sub-atomic physics to make it so that dog fur in food tastes just like chicken.) Some restaurants are so noisy that it would be enough to drive even you dogs away, and need I remind you that if you went into some restaurants in the Far East, you'd end up on the menu?

Dear God, May I have my testicles back?

Sorry, guy, but even I have to respect the great Bob Barker's admonition to "have your pet spayed or neutered." Good bye, everybody!

Heaven and Dogs

Heaven and Dogs

A man and his dog were walking along a road. The man was enjoying the scenery, when it suddenly occurred to him that he was dead. He remembered dying, and that the dog walking beside him had been dead for years. He wondered where the road was leading them.

After a while, they came to a high, white stone wall along one side of the road. It looked like fine marble.

At the top of a long hill, it was broken by a tall arch that glowed in the sunlight. When he was standing before it he saw a magnificent gate in the arch that looked like Mother of Pearl, and the street that led to the gate looked like pure gold.

He and the dog walked toward the gate, and as he got closer, he saw a man at a desk to one side.

When he was close enough, he called out, "Excuse me, where are we?"

"This is Heaven, sir," the man answered.

"Wow! Would you happen to have some water?" the man asked.

"Of course, sir. Come right in, and I'll have some ice water brought right up." The man gestured, and the gate began to open.

"Can my friend," gesturing toward his dog, "come in, too?" the traveler asked.

"I'm sorry, sir, but we don't accept pets."

The man thought a moment and then turned back toward the road and continued the way he had been going with his dog.

After another long walk, and at the top of another long hill, he came to a dirt road which led through a farm gate that looked as if it had never been closed. There was no fence. As he approached the gate, he saw a man inside, leaning against a tree and reading a book.

"Excuse me!" he called to the reader. "Do you have any water?"

"Yeah, sure, there's a pump over there". The man pointed to a place that couldn't be seen from outside the gate. "Come on in."

"How about my friend here?" the traveler gestured to the dog.

"There should be a bowl by the pump." They went through the gate, and sure enough, there was an old fashioned hand pump with a bowl beside it.

The traveler filled the bowl and took a long drink himself, then he gave some to the dog. When they were full, he and the dog walked back toward the man who was standing by the tree waiting for them.

"What do you call this place?" the traveler asked.

"This is Heaven," was the answer.

"Well, that's confusing," the traveler said. "The man down the road said that was Heaven, too."

"Oh, you mean the place with the gold street and pearly gates? Nope. That's Hell."

"Doesn't it make you mad for them to use your name like that?"

"No. I can see how you might think so, but we're just happy that they screen out the folks who'll leave their best friends behind."

Tragic Loss

A man placed some flowers on the grave of his dearly departed mother and started back toward his car when his attention was diverted to another man kneeling at a grave. The man seemed to be praying with profound intensity and kept repeating, "Why did you have to die? Why did you have to die?"

The first man approached him and said, "Sir, I don't wish to interfere with your private grief, but this demonstration of pain is more than I've ever seen before. For whom do you mourn so deeply? A child? A parent?"

The mourner took a moment to collect himself, then replied, "My wife's first husband."

Buying Condoms

The first time I went to a drug store to buy condoms, I was waited on by a beautiful young woman. She asked what size I wanted and I said I wasn't sure. So she asked how big I was and I said, "Compared to what?"

She held up one finger and asked if I was that big. I said, "I'm bigger than that."

Then she held up two fingers and asked if I was that big. I said, "I'm bigger than that."

Then she held up three fingers and asked if I was that big. I said, "I'm about that big."

She put the three fingers in her mouth and said, "You're a medium."

Car Crash

There are these two gay men, named Syrel and Sessil, driving happily along in their car. As they came to an intersection, they stopped for the red light.

All of a sudden a big semi-trailer comes crunching through the back of their car!

Syrel and Sessil were really pissed!

Syrel says to Sessil to get out of the car to tell off the truck driver.

So Sessil gets out of the car and approaches the truck driver, who apparently is one huge mother trucker (tattoos and all)!

"You bloody idiot! Look at what you've done to our beloved car!", exclaims Sessil. "You're going to pay for this damage you know!"

"Suck my dick!", shouts the truck driver.

This prompted Sessil to go back to his car, to discuss the situation with Syrel.

"I think he wants to settle out of court, Syrel."

So clever, wan!

A CHINESE man walks into a bank in New York City and asks for the loan officer. He tells the loan officer that he is going to China on business for two weeks and needs to borrow \$5,000.

The bank officer tells him that the bank will need some form of security for the loan, so the Chinese man hands over the keys to a new Ferrari parked on the street in front of the bank. He produces the title and everything checks out.

The loan officer agrees to accept the car as collateral for the loan.

The bank's president and its officers all enjoy a good laugh at the Chinese man for using a \$250,000 Ferrari as collateral against a \$5,000 loan. An employee of the bank then drives the Ferrari into the bank's underground garage and parks it there.

Two weeks later, the Chinese man returns, repays the \$5,000 and the interest, which comes to \$15.41. The loan officer says, "Sir, we are very happy to have had your business, and this transaction has worked out very nicely, but we are a little puzzled. While you were away, we checked you out and found that you are a multi-millionaire. What puzzles us is, why would you bother to borrow \$5,000?"

The Chinese man replies: "Where else in New York City can I park my car for two weeks for only \$15.41 and expect it to be there when I return?"

A man escapes from a prison where he's been locked up for 15 years. He breaks into a house to look for money and guns. Inside, he finds a young couple in bed. He orders the guy out of bed and ties him to a chair. While tying the homeowner's wife to the bed, the convict gets on top of her, kisses her neck, then gets up and goes into the bathroom.

While he's in there, the husband whispers over to his wife, 'Listen, this guy is an escaped convict. Look at his clothes! He's probably spent a lot of time in jail and hasn't seen a woman in years. I saw how he kissed your neck. If he wants sex, don't resist, don't complain... do whatever he tells you. Satisfy him no matter how much he nauseates you. This guy is obviously very dangerous. If he gets angry, he'll kill us both. Be strong, honey. I love you!'

His wife responds, 'He wasn't kissing my neck. He was whispering in my ear. He told me that he's gay, thinks you're cute, and asked if we had any Vaseline. I told him it was in the bathroom. Be strong. I love you, too.'

Woman sues husband for virginity loss
Friday April 04, 2008 Malaysia

source

KUALA LUMPUR, Malaysia, April 4 (UPI) -- A Malaysian woman is seeking nearly \$1 million in a lawsuit against her husband for taking her virginity without a traditional Chinese marriage.

The 30-year-old woman, a teacher, claims in the suit that she and her husband had sexual relations after a few months of dating and registered their marriage, but never went through traditional Chinese marriage rites, The Sun reported Friday.

"What she has is a marriage on paper only," said the woman's lawyer, Ernest Chua. "It's not the kind we all know and the kind all women want. It's a marriage obtained by misrepresentation."

The suit also names her husband's parents for allegedly "inducing their son to breach the contract of marriage" and for causing her "humiliation and mental torture."

The woman is also asking the court to nullify the marriage.

Re: Jokes: salesmanship!

An Indian moves to Montreal and goes to a big department store looking for a job.

The manager asks, 'Do you have any sales experience?' The Indian says, 'Yeah, I was a salesman back home'.

Well, the manager liked the young man, so he gave him the job. 'You start tomorrow. I'll come down after we close and see how you did, but let me give you a bit of advice. If a customer comes looking, say, for toothpaste, you might suggest for him a toothbrush, or shaving cream etc. You get the idea?'

'Of course' the young man said.

His first day on the job was rough but he got through it.

After the store was locked up, the manager came down. 'How many sales did you make today?'

The Indian says, 'One'

The manager groans, 'Just one? Our sales people average 20 or 30 sales/day. How much was the sale for?'

The Indian says, '\$101,237.64.'

The manager exclaims, 'What? \$101,237.64? What did you sell him?'

The Indian replied, 'First I sold him a small fish hook. Then I sold him a medium fishhook. Then I sold him a larger fishhook. Then I sold him a new fishing rod. Then I asked him where he was going fishing, and he said down at the coast, so I told him he was going to need a boat, so we went down to the boat department, and I sold him that twin engine Chris Craft. Then he said he didn't think his Honda Civic would pull it, so I took him down to the automotive department and sold him that 4X4 Pajero.'

The manager says 'You mean a guy came in here to buy a fish hook and you sold him a boat and truck?!'

The Indian says, 'No, no, no, he came in here to buy a box of Kotex sanitary pads) for his wife and I said, 'Well, since your weekend's already screwed up you might as well go fishing!!'

Among the ensuing forest of raised hands only one man sat motionless. When asked what he would do, he replied that he would be quite content to stay on board. With his team's software, he reasoned, the plane was unlikely to even taxi as far as the runway, let alone take off.

A hat-seller who was passing by a forest decided to take a nap under one of the trees, so he left his whole basket of hats by the side. A few hours later, he woke up and realized that all his hats were gone.

He looked up and to his surprise, the tree was full of monkeys and they had taken all his hats. he sits down and thinks of how he can get the hats down. While thinking he started to scratch his head. The next moment, the monkeys were doing the same. Next, he took down his own hat, the monkeys did exactly the same. An idea came to him, he took his hat and threw it on the floor and the monkeys did that too. So he finally managed to get all his hats back.

Fifty years later, his grandson, also became a hat-seller and had heard this monkey story from his grandfather. One day, just like his grandfather, he passed by the same forest. It was very hot, and he took a nap under the same tree and left the hats on the floor.

He woke up and realized that all his hats were taken by the monkeys on the tree. He remembered his grandfather's words, started scratching his head and the monkeys followed. He took down his hat and fanned himself and again the monkeys followed. Now, very convinced of his grandfather' s idea, he threw his hat on the floor but to his surprise, the monkeys still held on to all the hats. Re:Where Singapore\'s food come from?

A Singaporean was on holiday in Malaysia. He was having his coffee, croissants, bread, butter & jam at the hotel\'s coffee house. A Malaysian man who was chewing gum, sat down next to him and started a casual conversation.

Malaysian: "You Singaporeans eat the whole bread?"

Singaporean: "Of course."

Malaysian: "We don't. In Malaysia, we only eat what's inside. The crusts we collect in a container, recycle it, transform them into croissants & sell them across to Singapore."

The Malaysian then had a smirk on his face while the Singaporean listened in silence!

Malaysian: "Do you eat the jam with the bread?"

Singaporean: "Of course."

Malaysian (chuckling): "We don't. In Malaysia, we eat fresh fruit for breakfast, then we put all the peels, seeds & other leftovers in a container, recycle them, transform them into jam, before we sell it across to Singapore."

This time, the Singaporean retorted: "Do you have sex in Malaysia?"

Malaysian: "Why, of course we do."

Singaporean: "Do you wear protection?"

Malaysian: "Of course! We wear condoms."

Singaporean: "And what do you do with the condoms once you've used them?"

Malaysian: "Stupid question! Of course we throw them away."

Singaporean: "We don't. In Singapore, the government secretly puts them in a container, recycle them, melt them down into chewing gum & sell them across to Malaysia, and that's the real reason why we banned chewing gum in Singapore!"

End. Okay, you supposed to laugh.

A young boy went up to his father and asked him, "Dad, what is the difference between potentially and realistically?"

The father thought for a moment, then answered, "Go ask your mother if she would sleep with Brad Pitt for a million dollars. Then ask your sister if she would sleep with Brad Pitt for a million dollars. Come back and tell me what you learn from that."

So the boy went to his mother and asked, "Would you sleep with Brad Pitt for a million dollars?" The mother replied, "Of course I would! We could really use that money to fix up the house and send you kids to a great University!"

The boy then went to his sister and asked "Would you sleep with Brad Pitt for a million dollars?" The girl replied, "Oh my god! I LOVE Brad Pitt I would sleep with him in a heartbeat, are you nuts?"

The boy then went to his brother and asked "Would you sleep with Brad Pitt for a million dollars?" "Of course" the brother replied. "Do you know how much a million bucks would buy?"

The boy pondered the answers for a few days and then went back to his dad.

His father asked him, "Did you find out the difference between potentially and realistically?"

The boy replied, "Yes. Potentially, you and I are sitting on three million dollars, but realistically, we're living with two hookers and a homo."

Once upon a time a married couple celebrated their 25th marriage anniversary. They had become famous in the city for not having a single conflict in their 25 years of marriage. Local newspaper editors had gathered at the occasion to find out the secret of their well known "blissful marriage".

Editor: "Sir. It's amazingly unbelievable. How did you make this possible?"

Husband recalling his old honeymoon days said: "We had been to Shimla for our honeymoon. Having decided to go horse riding, we both started the ride on different horses. My horse was pretty okay but the horse on which my wife was riding seemed to be a little wild.

On the way ahead, that horse jumped suddenly, making my wife topple over. Recovering her position from the ground, she patted the horse's back and said "This is your first time". Again she climbed on the horse and continued with the ride. After a while, it happened again. This time again she calmly said, "This is your second time" and continued. When the horse dropped her the third time, she silently took out the revolver from the purse and shot the horse dead!!

I shouted at my wife: "What did you do you psycho. You killed the poor animal. Are you crazy?"
She gave a silent look and said: "This is your first time!!!".

Husband: "That's it. We have lived happily together since then. "

Jokes: The Wedding Test

Posted by friedice - 2008/04/18 18:58

I was a very happy person. My wonderful girlfriend and I had been dating for over a year, and so we decided to get married. There was only one little thing bothering me...It was her beautiful younger sister.

My prospective sister-in-law was twenty-two, wore very tight miniskirts, and generally was bra-less. She would regularly bend down when she was near me, and I always got more than a nice view. It had to be deliberate because she never did it when she was near anyone else. One day her 'litttle' sister called and asked me to come over to check the wedding invitations. She was alone when I arrived, and she whispered to me that she had feelings and desires for me that she couldn't overcome.

She told me that she wanted me just once before I got married and committed my life to her sister. Well, I was in total shock, and couldn't say a word. She said, 'I'm going upstairs to my bedroom, and if you want one last wild fling, just come up and get me.' I was stunned and frozen in shock as I watched her go up the stairs. I stood there for a moment, then turned and made a beeline straight to the front door. I opened the door, and headed straight towards my car.

Lo and behold, my entire future family was standing outside all clapping! With tears in his eyes, my future father-in-law hugged me and said, 'We are very happy that you have passed our little test. We couldn't ask for a better man for our daughter. Welcome to the family!'

And the moral of this story is:

Always keep your condoms in your car.

A man was sick and tired of going to work every day while his wife stayed home. He wanted her to see what he went through so he prayed:
'Dear Lord: I go to work every day and put in 8 hours while my wife merely stays at home. I want her to know what I go through, so please allow her body to switch with mine for a day. Amen.'

God, in his infinite wisdom, granted the man's wish.

The next morning, sure enough, the man awoke as a woman.

He arose, cooked breakfast for his mate,
awakened the kids,
set out their school clothes,
fed them breakfast,
packed their lunches,
drove them to school,
came home and picked up the dry cleaning,
took it to the cleaners and stopped at the bank to make a deposit,
went grocery shopping,
then drove home to put away the groceries,
paid the bills and balanced the check book.
He cleaned the cat's litter box and bathed the dog.
Then it was already 1P.M. and he hurried to make the beds,
do the laundry,
vacuum,
dust, and sweep and mop the kitchen floor.
Ran to the school to pick up the kids and got into an argument with them on the way home.
Set out milk and cookies and got the kids organized to do their homework,
then set up the ironing board and watched TV while he did the ironing.
At 4:30 he began peeling potatoes and washing vegetables for salad,
breaded the pork chops and snapped fresh beans for supper.
After supper, he cleaned the kitchen,
ran the dishwasher,
folded laundry,
bathed the kids, and put them to bed.

At 9 P.M. he was exhausted and, though his daily chores weren't finished, he went to bed where he was expected to make love, which he managed to get through without complaint.

The next morning, he awoke and immediately knelt by the bed and said:
'Lord, I don't know what I was thinking. I was so wrong to envy my wife's being able to stay home all day. Please, oh! oh! please, let us trade back.'

The Lord, in his infinite wisdom, replied:
'My son, I feel you have learned your lesson and I will be happy to change things back to the way they were. You'll just have to wait nine months though. You got pregnant last night.'

Jokes: Out Of Gas

Posted by feifei - 2008/04/22 17:18

Out Of Gas

While driving cross-country a man ran out of gas. Walked for a few miles in the rain and came to a house. After banging on the door for 10 minutes he decided to leave, but saw something in the window. There stood a nude couple, the woman squeezing her tits and the man beating his dick with an umbrella.

After watching for a while, the guy wrote them off as loonies and went in the direction of the next house. The neighbors were friendly and helped out in what ever way they could, the guy couldn't resist describing what he saw in the first house.

The woman laughed and said, "Oh, they carry on that conversation all the time."

"What do you mean?" asked the puzzled traveler.

"Well you see, they're a deaf couple. She was asking her husband to go milk the cow and he was saying, "F*ck you bitch, it's raining!"

Jokes: Who Gets The Egg

Posted by feifei - 2008/04/28 02:03

Who Gets The Egg

There was once a Scotsman and an Englishman who lived next door to each other. The Scotsman owned a hen and each morning would look in his garden and pick up one of his hen's eggs for breakfast. One day he looked into his garden and saw that the hen had laid an egg in the Englishman's garden. He was about to go next door when he saw the Englishman pick up the egg. The Scotsman ran up to the Englishman and told him that the egg belonged to him because he owned the hen.

The Englishman disagreed because the egg was laid on his property.

They argued for a while until finally the Scotsman said, "In my family we normally solve disputes by the following actions: I kick you in the balls and time how long it takes you to get back up, then you kick me in the balls and time how long it takes for me to get up; whoever gets up quicker wins the egg."

The Englishman agreed to this and so the Scotsman found his heaviest pair of boots and put them on. He took a few steps back, then ran toward the Englishman and kicked him as hard as he could in the balls. The Englishman fell to the floor clutching his nuts, howling in agony for 30 minutes.

Eventually the Englishman stood up and said, "Now it's my turn to kick you."

The Scotsman said, "Keep the damn egg."

Jokes: Black Sheep

Black Sheep

A missionary gets sent into deepest darkest Africa and goes to live with a tribe there. He spends years with the people, teaching them to read, write and the good Christian ways of the white man. One thing he particularly stresses is the evils of sexual sin. Thou must not commit adultery or fornication!!

One day, the wife of one of the Tribe's noblemen gives birth to a white child. The village is shocked and the chief is sent by his people to talk with the missionary. "You have taught us of the evils of sexual sin, yet here a black woman gives birth to a white child. You are the only white man that has ever set foot in our village. It doesn't take a genius to work out what has been going on!"

The missionary replies: "No, no, my good man. You are mistaken. What you have here is a natural occurrence - what is called an albino. Look to thy yonder field. See a field of white sheep, and yet amongst them is one black one. Nature does this on occasion."

The chief pauses for a moment then says, "Tell you what, you don't say anything about the sheep, I won't say anything about the white child."

CDC Alert

The Center for Disease Control has issued a medical alert about a highly contagious, potentially dangerous virus that is transmitted orally, by hand, and even electronically. This virus is called Weary Overload Recreational Killer (WORK).

If you receive WORK from your boss, any of your colleagues, or anyone else via any means whatsoever - DO NOT TOUCH IT. This virus will wipe out your private life completely. If you should come into contact with WORK you should immediately leave the premises.

Take two good friends to the nearest grocery store and purchase one or both of the antidotes - Work Isolating Neutralizer Extract (WINE) and Bothersome Employer Elimination Rebooter (BEER).

Take the antidote repeatedly until WORK has been completely eliminated from your system. You should immediately forward this medical alert to five friends. If you do not have five friends, you have already been infected and WORK is controlling your life.

Lie Detector

John was a salesman's delight when it came to any kind of unusual gimmick. His wife Marsha had long ago given up

trying to get him to change.

One day, John came home with another one of his unusual purchases. It was a robot that John claimed was actually a lie detector.

It was just about 5:30 that afternoon when Tommy, their 11 year old son, returned home from school. Tommy was over 2 hours late.

'Where have you been? Why are you over 2 hours late getting home?' they asked.

'Several of us went to the library to work on an extra credit project' said Tommy. The Robot walked around the table and slapped Tommy, knocking him completely out of his chair.

'Son, this robot is a lie detector, now tell us where you went after school.'

'We went to Bobby's house and watched a movie.'

'What did you watch?' asked Marsha.

'The Ten Commandments', answered Tommy. The Robot went around to Tommy and once again slapped him, knocking him off his chair. With lip quivering, Tommy got up, sat down and said, 'I am sorry I lied. We really watched a tape called Sex Queen.'

'I'm ashamed of you, Son,' said John. 'When I was your age, I never lied to my parents.'
The robot walked around to John and delivered a roundhouse right that nearly knocked him out of his chair.

Marsha was bent double laughing, almost in tears. 'Boy, did you ever ask for that one! And you can't be too mad with Tommy, after all, he is your son!'

The Robot immediately walked around to Marsha and slapped her three times!!!

A Dirty Fork

A blind man walks into a restaurant and sits down. The waiter, who is also the owner, walks up to the blind man and hands him a menu.

"I'm sorry, sir, but I am blind and can't read the menu. Just bring me a dirty fork from a previous customer. I'll smell it and order from there."

A little confused, the owner walks over to the dirty dish pile and picks up a greasy fork. He returns to the blind man's table and hands it to him. The blind man puts the fork to his nose and takes in a deep breath.

"Ah, yes, that's what I'll have -- meatloaf and mashed potatoes."

Unbelievable, the owner thinks as he walks towards the kitchen. The cook happens to be the owner's wife. He tells her what had just happened.

The blind man eats his meal and leaves.

Several days later, the blind man returns and the owner mistakenly brings him a menu again.

"Sir, remember me? I'm the blind man."

"I'm sorry, I didn't recognize you. I'll go get you a dirty fork."

The owner retrieves a dirty fork and brings it to the blind man.

After another deep breath, the blind man says, "That smells great. I'll take the macaroni and cheese with broccoli."

Walking away in disbelief, the owner thinks the blind man is screwing around with him and tells his wife that the next time

the blind man comes in he's going to test him.

The blind man eats and leaves.

He returns the following week, but this time the owner sees him coming and runs to the kitchen.

He tells his wife, "Mary, rub this fork on your panties before I take it to the blind man."

Mary complies and hands her husband the fork. As the blind man walks in and sits down, the owner is ready and waiting.

"Good afternoon, sir, this time I remembered you and I already have the fork ready for you."

The blind man puts the fork to his nose, takes a deep whiff, and says, "Hey I didn't know that Mary worked here..."

Construction Site Sign Language

There was this construction worker on the 3rd floor of this unfinished building. He needed a hand saw, but was too lazy to go down and get it himself, so he tried to call his fellow worker on the ground to get it for him, but this guy could not hear a word he said. So he started to give a sign so the guy on the ground could understand him.

First he pointed at his eyes (meaning "I") then pointed at his knees (meaning "need"), and moved his hand back and forth describing the movement of a hand saw.

Finally, the guy on the ground started nodding his head like he understood and dropped his pants and started to jerk off.

The guy on the 3rd floor got pissed-off and ran down to the ground and started yelling at this guy, "You idiot, I was trying to tell you I needed a hand saw."

The other guy replied, "I know, I was trying to tell you that I was coming."

The Blind Date

Allen took his blind date to the carnival. 'What would you like to do first, Sandra?' asked Allen.

'I want to get weighed,' said Sandra.

They ambled over to the weight guesser. He guessed 120 pounds. She got on the scale; it read 117 and she won a prize.

Next, the couple went on the Ferris Wheel.

When the ride was over, Allen again asked Sandra what she would like to do.

'I want to get weighed,' she said.

Back to the weight guesser they went.

Since they had been there before, he guessed her correct weight, and Allen lost his dollar.

The couple walked around the carnival and again he asked where to next.

'I want to get weighed,' she responded.

By this time, Allen figured she was really weird and took her home early, dropping her off with a handshake.

Her roommate, Laura, asked her about the blind date, 'How did it go?'

Sandra responded, 'Oh, Waura, it was wousy.'

Naughty Nuns

There are four nuns at the gates of heaven waiting to be let in by St. Peter. He goes to the first nun and says "before I let you in, I trust there's no sexual experience, for example have you ever touched a man's penis?" to which the nun replies that she once "sort of poked one". "OK" says St. Peter, "I can forgive you if you go and dip that finger in the holy water, then you can go into heaven."

The second nun comes up and St. Peter asks her "have you ever touched a man's penis?". The second nun replies "well, I once held one in my hand". St. Peter shakes his head and says "that's not good for a nun, but if you dip your whole hand into the holy water, you can go into heaven."

At that point the fourth nun barges past the third nun and says to St. Peter "can I go next, I want to wash my mouth out before she sticks her arse in it."

The second woman bought a VCR, a CD player, a set of golf clubs, and a tennis racket and gave them to the man. I

used the money to buy you these gifts because I love you, she told him.

The third woman invested the money in the stock market and within a short time had doubled her investment. She returned the initial five thousand dollars to the man and reinvested the profit. Im investing in our future because I love you so much, she said.

3 Weddings

Three sisters decided to get married on the same day to save their parents the expense of separate weddings. As a further step to reduce the price tag, the three sisters resolved to spend their honeymoon night at home.

Later that night, their mother couldn't sleep, so she went to the kitchen for a cup of tea.

On her way, she tiptoed by her oldest daughter's bedroom and heard her screaming.

The mother thought to herself, "That's normal, especially on her wedding night."

She snuck by her second oldest daughter's room and heard her laughing.

"That's normal too," she said, smiling to herself.

Finally, she slipped by her youngest daughter's room where she didn't hear a peep, but she thought nothing of it.

The next morning in the kitchen, after the husbands had gone out, the woman asked her eldest daughter about last night's noises. "Well Mom," she replied, "you always said if it hurt I should scream."

"You're absolutely right sweetheart," the mother assured her, turning to her middle daughter. "Now why were you laughing?" she asked.

"You always said if it tickled, I could laugh," she answered.

"True enough, honey." The mother smiled, remembering her newlywed days. "Now it's your turn, baby," she said turning to her youngest daughter. "Why was it so quiet in your room last night?"

"Mom, don't you remember? You always told me never to talk with my mouth full."

"What's this, honey?" the husband inquired as he entered the room. "Oh, it's just a statue," she replied nonchalantly. "The Smiths bought one for their bedroom. I liked it so much, I got one for us too."

No more was said about the statue, not even later that night when they went to sleep. Around two in the morning the husband got out of bed, went to the kitchen and returned a while later with a sandwich and a glass of milk.

"Here," he said to the 'statue', "eat something. I stood like an idiot at the Smiths for three days and nobody offered me as much as a glass of water."

Adam said he didn't have anyone to talk to.

God said that he was going to make Adam a companion and that it would be a woman.

He said, "This person will gather food for you, cook for you, when you discover clothing, she'll wash it for you. She will always agree with every decision you make. She will bear your children and never ask you to get up in the middle of the night to take care of them. She will not nag you, and will always be the first to admit she was wrong when you've had a disagreement. She will never have a headache, and will freely give you love and passion whenever you need it."

Adam asked God, "What will a woman like this cost?"

God replied, "An arm and a leg."

Then Adam asked, "What can I get for a rib?"

CIA Test

After all the background checks, interviews and testing were done, there were three finalists: two men and a woman. For the final test, the CIA agents took one of the men to a large metal door and handed him a gun. "We must know that you will follow your instructions, no matter what the circumstances. Inside this room, you will find your wife sitting in a chair. "Kill her!!!".

The man said, "You can't be serious. I could never shoot my wife." The agent said, "Then you're not the right man for this job. Take your wife and go home."

The second man was given the e same instructions. He took the gun and went into the room. All was quiet for about five minutes. Then the man came out with tears in his eyes. "I tried, but I can't kill my wife." The agent said, "You don't have what it takes. Take your wife and go home."

Finally, it was the woman's turn. She was given the same instructions to kill her husband. She took the gun and went into the room. Shots were heard, one shot after another. They heard screaming, crashing, banging on the walls.

After a few minutes, all was quiet. The door opened slowly and there stood the woman. She wiped the sweat from her brow.

"This gun is loaded with blanks," she said. "I had to beat him to death with the chair."

Moral: Women are evil. Don't mess with them.

A woman was at work when she received a phone call that her daughter was very sick with a fever. She left her work and stopped by the pharmacy to get some medication. She got back to her car and found that she had locked her keys in the car.

She didn't know what to do, so she called home and told the baby sitter what had happened. The baby sitter told her that the fever was getting worse. She said, 'You might find a coat hanger and use that to open the door.'

The woman looked around and found an old rusty coat hanger that had been thrown down on the ground, possibly by someone else who at some time or other had locked their keys in their car. Then she looked at the hanger and said, 'I don't know how to use this.'

So she bowed her head and asked God to send her some help. Within five minutes an old rusty car pulled up, with a dirty, greasy, bearded man who was wearing an old biker skull rag on his head. The woman thought, 'This is what you sent to help me?'

But, she was desperate, so she was also very thankful.

The man got out of his car and asked her if he could help. She said, 'Yes, my daughter is very sick. I stopped to get her some medication and I locked my keys in my car. I must get home to her. Please, can you use this hanger to unlock my car?'

He said, 'Sure.' He walked over to the car, and in less than a minute the car door was opened. She hugged the man and through her tears she said, 'Thank you so much! You are a very nice man.'

The man replied, 'Lady, I am not a nice man. I just got out of prison today. I was in prison for car theft and have only been out for about an hour.'

The woman hugged the man again and with sobbing tears cried out loud, 'Oh, thank you God! You even sent me a Professional!' :silly:

A Chinese man arranged for a hooker to come to his room for the evening. Once in the room they undressed, climbed into bed, and went at it. When finished, the Chinese man jumped up, ran over to the window, took a deep breath, dove under the bed, climbed out the other side, jumped back into bed with the hooker and commenced a repeat performance.

The hooker was impressed with the gusto of the second encounter. When finished, the Chinese man jumped up, ran over to the window, took a deep breath, dove under the bed, climbed out the other side, jumped back into bed with the hooker and started again!

The hooker was amazed at this sequence. During the fifth encounter, she decided to try it herself. When they were done she jumped up, went to the window and took a deep breath of fresh air, dove under the bed to find 4 other Chinese men.

A Chinese man enters a bar to find a Black bartender. He says, "Hey nigger, give me a jigger."
The Bartender responds, "That's terrible! How would you like it if I said something like that to you? In fact, let's just switch places. You get behind the bar and I'll come in as a customer."
The Chinese man agrees and gets behind the bar. The Black man goes outside.
Upon reentering, he says, "Hey Chink, give me a drink."
To which the Chinese man answers, "Sorry, we don't serve niggers here."

Indian customs?

An Indian migrated to America , and moved into an American neighbourhood;

His American neighbour went next door to wish him welcome.He was shocked to see the man from India in his nice backyard chasing ten chickens around like mad. "Must be an Indian custom," he thought to himself.

Deciding he could put off the welcome till a later date, he went home.

The next day, he decided he was going to welcome the Indian man again.

When he looked through his window, he saw the Indian man urinate into a cup and drink it. "Must be an Indian custom," he thought to himself. Deciding he could put off the welcome till the next day, he went on with other stuff.

The third day, he was determined to welcome the Indian man. At his gate, he saw the Indian man with his ear pressed against a cow's big fat butt.

Seeing this, he became disgusted and went up to the Indian man.

"I'm sorry sir, I did want to wish you a warm welcome, but I cannot stand your crazy Indian customs!" He yelled at the Indian .

The Indian looked confused and answered. "Sorry sir, I think you are mistaken. These are actually American customs. I was told, that in order to be a true American, you have to chase chicks, get piss drunk, and listen to bullshit."

Re: Jokes - Apartment hunting

A large family, with seven children, moved to a new city. They were having a difficult time finding an apartment to live in. Many apartments were large enough, but the landlords objected to the large family.

After several days of searching, the father asked the mother to take the four younger children to visit the cemetery while he took the older three to find an apartment.

After they had looked most of the morning they found a place that was just right.

Then the landlord asked the usual question: "How many children do you have?"

The father answered with a deep sigh, "Seven... but four are with their dear mother in the cemetery."

He got the apartment!

Real Translations That Didn't Quite Work

COKE:

The name Coca-Cola in China was first rendered as Ku-kou-ko-le. Unfortunately, the Coke company did not discover until after thousands of signs had been printed that the phrase means "Bite the wax tadpole" or "Female horse stuffed with wax" depending on the dialect.

Coke then researched 40,000 Chinese characters and found a close phonetic equivalent, "Ke-kou-ke-le," which can be loosely translated as "happiness in the mouth."

PEPSI

In Taiwan, the translation of the Pepsi slogan "Come alive with the Pepsi Generation" came out as "Pepsi will bring your ancestors back from the dead."

KFC

Also in Chinese, the Kentucky Fried Chicken slogan "Finger- lickin' god" came out as "Eat your fingers off."

Liver n' Cheese

There were these three guys at a cafe, drinking their coffee - an American guy, a black guy, and a Chinese guy. They see a really attractive waitress and comment on her good looks. Next thing you know they start making bets on who can get her to go out with them first.

The waitress overhears them, and she goes up to them and says, "Hey, I heard you talking about me. Well, I like an intelligent guy, so let's see who can make the best sentence using the words 'liver' and 'cheese'."

So the American guy goes, "That's easy. I love liver and I hate cheese."

The waitress shakes her head in disgust.

The black guy goes, "Well, I hate liver and I love cheese."

The waitress says, "That is so stupid. That's essentially the same thing!"

Then the Chinese guy steps up and puts his arm around the waitress' waist. "Liver alone, cheese mine!"

Along the ride, there was a short but dark tunnel. When they entered the tunnel, a kissing sound, then a slapping sound was heard. Once outside, everyone could see a large red mark on the American's face.

The French girl thought, "That American probably tried to kiss me, but accidentally kissed the Asian, and he slapped him."

The American thought, "The Asian tried to kiss the French girl, and she tried to slap him, but accidentally slapped me."

Chinese Torture

A young man is wandering and lost in a forest when he comes upon a small house. Knocking on the door, he is greeted by an ancient Chinese man with a long gray beard. "I'm lost," said the young man. "Can you put me up for the night?" "Certainly," the Chinese man said, "but on one condition. If you lay a finger on my daughter, I will inflict upon you the three worst Chinese tortures known to man." "OK," said the man, thinking that the daughter must be pretty old, and entered the house.

During dinner, the daughter came down the stairs. She was young, beautiful, and had a fantastic body. She was

obviously attracted to the young man as she couldn't keep her eyes off him during the meal. Remembering the old man's warning, he ignored her and went up to bed alone. During the night, he could bear it no longer and snuck into her room for a night of passion. He was careful to keep everything quiet, so the old man wouldn't hear. Near dawn, he crept back to his room, exhausted but happy.

He woke to feel a pressure on his chest. Opening his eyes, he saw a large rock on his chest with a note on it that read, "Chinese Torture 1: Large rock on chest." "Well, that's pretty crappy," he thought. "If that's the best the old man can do, then I don't have much to worry about." He picked the boulder up, walked over to the window, and threw the boulder out.

As he did so, he noticed another note on it that read, "Chinese Torture 2: Rock tied to left testicle." In a panic he glanced down and saw the rope that was already getting close to taut. Figuring that a few broken bones was better than castration, he jumped out of the window after the boulder.

As he plummeted towards the ground, he saw a large sign on the ground that read, "Chinese Torture 3: Right testicle tied to bed post."

SEX FROGS

A blonde goes to her local pet store in search of an 'exotic' pet. As she looks about the store, she notices a box FULL of live frogs.

The sign says:

"SEX FROGS"

Only \$20 each!

Comes with 'complete' instructions.

The girl excitedly looks around to see if anybody's watching her. She whispers softly to the man behind the counter, "I'll TAKE one!"

As the man packages the frog, he quietly says to her, "Just follow the instructions!"

The blonde nods, grabs the box, and is quickly on her way home.

As soon as she closes the door to her apartment, she opens the instructions and reads them very carefully. She does EXACTLY what is specified:

1. Take a shower.
2. Splash on some nice perfume
3. Slip into a very sexy nightie.

4. Crawl into bed and place the frog down beside you, and allow the frog to do what he has been trained to do.

She then quickly gets into bed with the frog and to her surprise . . . NOTHING happens! The blonde is very disappointed and quite upset at this point. She re-reads the instructions and notices at the bottom of the paper it says, "If you have any problems or questions, please call the pet store."

So, she calls the pet store. The man says, "I'll be right over." Within minutes, the man is ringing her doorbell. The blonde welcomes him in and says, "See, I've done everything according to the instructions. The damn frog just SITS there!"

The man . . . looking very concerned, picks up the frog, stares 'directly into its eyes' and STERNLY says:

"LISTEN TO ME!!
I'm only going to show you how to do this

TRADITIONAL CAPITALISM. You have two cows. You sell one and buy a bull. Your herd multiplies, and the economy grows. You sell them and retire on the income.

AN AMERICAN CORPORATION. You have two cows. You sell one, and force the other to produce the milk of four cows. You are surprised when the cow drops dead.

A FRENCH CORPORATION. You have two cows. You go on strike because you want three cows.

A JAPANESE CORPORATION. You have two cows. You redesign them so they are one-tenth the size of an ordinary cow and produce twenty times the milk. You then create clever cow cartoon images called 'Cowkimon' and market them worldwide.

A GERMAN CORPORATION. You have two cows. You reengineer them so they live for 100 years, eat once a month, and milk themselves.

A BRITISH CORPORATION. You have two cows. Both are mad.

AN ITALIAN CORPORATION. You have two cows, but you don't know where they are. You break for lunch.

A SWISS CORPORATION. You have 5000 cows, none of which belong to you. You charge others for storing them.

A CHINESE CORPORATION. You have two cows. You have 300 people milking them. You claim full employment and high bovine productivity. You have the newsman who reported on the numbers arrested.

AN INDIAN CORPORATION. You have two cows. You worship them.

A MALAYSIAN CORPORATION. You have two cows. You signed a 40-year contract to supply milk at 0.06 per lit. Then midway you raised the price to 0.60 or you cut supply. When the buyer agrees to the new price, you change your mind again and now want 1.20. The buyer decided you can keep the milk and they go look for milk that comes from recycled cows. Your two cows retire together with the PM.

A SINGAPOREAN CORPORATION. You have two cows: One "cow-peh" and one "cow-bu". Both are owned by a government linked corporation.

8. Soccer commentator: Julian Dicks is everywhere. It's like they've got eleven Dicks on the field.
9. Tennis commentator: One of the reasons Andy is playing so well is that, before the final round, his wife takes out his balls and kisses them... Oh my God, what have I just said?

Indian Mother - Brilliant!

Indian mom comes to visit her son Arumugam for dinner.....who lives with a Malay girl housemate Maria. During the course of the meal, his mother couldn't help but notice how pretty Arumugam's housemate was. She had long been suspicious of a relationship between the two, and this had only made her more curious.

Over the course of the evening, while watching the two interact, she started to wonder if there was more between Arumugam and his housemate than met the eye.

Reading his mom's thoughts, Arumugam volunteered, 'I know what you must be thinking, but I assure you, Maria and I are just housemates.

' About a week later, Maria came to Arumugam saying, 'Ever since your mother came to dinner, I've been unable to find the silver plate. You don't suppose she took it, do you?'

Arumugam said, 'Well, I doubt it, but I'll email her, just to be sure.'

So he sat down and wrote:

Dear Mother:

I'm not saying that you 'did' take the silver plate from my house,
I'm not saying that you 'did not' take the silver plate.
But the fact remains that it has been missing ever since you were here for dinner.

Love, Arumugam

Several days later, Arumugam received an email from his Mother which read

Dear Son:

I'm not saying that you 'do' sleep with Maria, and I'm not saying that you 'do not' sleep with Maria.
But the fact remains that if she was sleeping in her OWN bed, she would have found the silver plate by now under the pillow...

Love,
Mom.

Lesson of the day:
Don't Lie to Your Mother.....especially if she is Indian!!!

What should I do to marry a rich guy?

Posted by jahne - 2008/09/14 23:41

A young and pretty lady posted this on a popular forum:

Title: What should I do to marry a rich guy?

I'm going to be honest of what I 'm going to say here. I'm 25 this year. I'm very pretty, have style and good taste. I wish to marry a guy with RM500k annual salary or above. You might say that I'm greedy but an annual salary of RM1M is considered only as middle class in KL. My requirement is not high. Is there anyone in this forum who has an income of RM500k annual salary? Are you all married? I wanted to ask: what should I do to marry rich people like you? Among those I've dated, the richest has a RM250k annual income and it seems that this is my upper limit. If someone is going to move into a high cost residential area in Mont Kiara, RM250k annual income is not enough.

I'm here humbly to ask a few questions:

- 1) Where do most rich bachelors hang out?
- 2) Which age group should I target?
- 3) Why most wives of the riches is only average-looking? I've met a few girls who don't have looks and are not interesting but they are able to marry rich guys.
- 4) How do you decide who can be your wife and who can only be your girlfriend?

Ms. Pretty

Here's a reply from a fund manager:

Dear Ms. Pretty,

I have read your post with great interest. Guess there are lots of girls out there who have similar questions like yours. Please allow me to analyze your situation as a professional investor. My annual income is more than RM500k, which meets your requirement, so I hope everyone believes that I'm not wasting time here.

From the standpoint of a business person, it is a bad decision to marry you. The answer is very simple, so let me explain. Put the details aside, what you're trying to do is an exchange of "beauty" and "money". Person A provides beauty and Person B pays for it, fair and square. However, there's a deadly problem here, your beauty will fade but my money will not be gone without any good reason. The fact is, my income might increase from year to year but you can't be prettier year after year. Hence from the viewpoint of economics, I am an appreciative asset and you are a depreciative asset. It's not just normal depreciation but exponential depreciation. If that is your only asset, your value will be very worrisome 10 years later.

By the terms we use in KLSE, all trading has a position. Dating you is also a trading position. If the trade value drops will sell it as it is not a good idea to keep it for long term. The same goes with the marriage that you wanted. It might be cruel to say this but in order to make a wise decision any assets with great depreciative value will be sold or "leased".

Anyone with over RM500k annual income is not a fool; we would only date you and will not marry you. I would advice that you forget about looking for clues to bag a rich guy.

Hope this reply helps. If you are interested in "leasing" services, do contact me.

2. I work at great depths.
3. I plunge head first into everything I do.
4. I do not get weekends or public holidays off.
5. I work in a damp environment.
6. I work in a dark area that has poor ventilation.

7. I work in high temperatures.

Dear Penis,

After assessing your request and considering the arguments you have raised, the management denies your request for the following reasons:

1. You do not work 8 hours straight.
2. You WORK IN SHORT SPURTS AND fall asleep after EACH brief work period.
3. You do not always follow the orders of the management team.
4. You do not stay in your designated area, and are often seen visiting other locations.
5. You do not take initiative - you need to be pressured and stimulated in order to start working.

8. You will retire LONG before you are 65.
9. You are unable to work double shifts.
10. You sometimes leave your designated work area before you have completed the assigned task.
11. And if that were not all, you have constantly been seen entering and exiting the workplace carrying two suspicious-looking bags.

MAHATHIR JOKES

General Musharraf, Dr Mahathir, Gloria Arroyo & Lee Kuan Yew were sitting in a train. The train goes through a tunnel and it gets completely dark for the next 8 seconds. Suddenly there is a loud kissing sound and then a slap ! The train comes out of the tunnel.

Arroyo and Musharraf are seated across each other, both looking perplexed.
Mahathir, seated across LKY, is bent over holding his face, which is very red from an apparent big slap.

All of them remain diplomatic and nobody says anything.

Musharraf is thinking : " These Malaysians are all crazy after Arroyo. Mahathir must have tried to kiss her in the tunnel. Very proper that she slapped him ! "

Arroyo is thinking : " Mahathir must have moved to kiss me,

but kissed Musharraf instead and got slapped. â€

Mahathir is thinking : â€ Damn it, Musharraf must have tried to kiss Arroyo ; she thought it was me and slapped me instead. Shit !! â€

Lee Kuan Yew is thinking : â€ If this train goes through one more tunnel, I could make another kissing sound and slap Mahathir again !! â€

Bill Clinton, Lee Kuan Yew and Mahathir arranged to go on a world tour, traveling on a plane which can only take 4 people, including the pilot. Just before they left, Bill Clinton suddenly announced that he would like to bring his little nephew along.

'But the plane is designed to take 4 people only, and I'm afraid it may crash!' worried the pilot. However, Clinton insisted, and finally the boy was allowed to board the plane. True enough, the plane encountered problems and was going to crash, but to their dismay, there were only 4 parachutes.

Clinton grabbed the 1st parachute and exclaimed, 'I'm the president of the mighty USA, and my life is the most valuable!' and jumped down the plane without a second look.

Lee Kuan Yew grabbed the 2nd parachute and exclaimed, 'I'm the Senior Minister of Singapore, and my life is just as important!' and jumped down.

Mahathir, not to be outdone, grabbed the 3rd parachute and exclaimed, 'I'm the Prime Minister of Malaysia, the most important of all!!!' and also jumped down.

Now, only the pilot and the little boy was left. The pilot said, 'Boy, you still have a long way to go in life. Take the last parachute, and I'll sacrifice myself.'

The boy looked at the pilot and smiled, 'Oh, we'll both live. Just now that Mahathir fellow took my schoolbag and jumped down with it!'

Naughty mind....High expectations

It was professor Smith's first day at St. Johns medical college as a faculty. Known for his teaching excellence, he made his entry into a classroom of 1st year medical students, where he received a warm welcome from the students, followed by their intro.

To start with, he planned to put forth a question to the class. He said, "Well students, before we start off with today's lecture, let me ask you a simple question on human anatomy".

He gazed across the classroom, spotted a female student Suzie, and said, "Tell me Suzie, which part of the human body grows 10 times its original size when excited?"

Hearing this question, Suzie's face grew pale in embarrassment, she replied: "you should be ashamed to ask such a question to a female. I am sorry, but I can't answer your question."

Thwarted by the girl's reply, Professor Smith rolled on his sight around the classroom afresh, to find out if there was anyone else who could satisfy his query.

This time he located a male student Henry, who had already raised his hand in affirmation to answer the question, and allowed the lad to go ahead.

Henry answered: "pupil of a human eye".

The professor applauded for the boy's accurate answer; then turned back to Suzie and said: "look, Suzie, I am sorry but, I must tell you a couple of things:

- (1) You lack knowledge
- (2) you have a dirty mind and
- (3) Your Expectations are too high !!!!!!!(10 times..... ..huh... ..MY GOD!!)

Bad Days

Sometimes, it seems like some people are just plain *doomed*. If you don't believe it, consider these weird deaths:

A fierce gust of wind blew 45-year-old Vittorio Luise's car into a river near Naples, Italy, in 1983. He managed to break a window, climb out and swim to shore -- where a tree blew over and killed him.

Mike Stewart, 31, of Dallas was filming a movie in 1983 on the dangers of low-level bridges when the truck he was standing on passed under a low-level bridge -- killing him.

Walter Hallas, a 26-year-old store clerk in Leeds, England, was so afraid of dentists that in 1979 he asked a fellow worker to try to cure his toothache by punching him in the jaw. The punch caused Hallas to fall down, hitting his head, and he died of a fractured skull.

George Schwartz, owner of a factory in Providence, R.I., narrowly escaped death when a 1983 blast flattened his factory except for one wall. After treatment for minor injuries, he returned to the scene to search for files. The remaining wall then collapsed on him, killing him.

Depressed since he could not find a job, 42-year-old Romolo Ribolla sat in his kitchen near Pisa, Italy, with a gun in his hand threatening to kill himself in 1981. His wife pleaded for him not to do it, and after about an hour he burst into tears and threw the gun to the floor. It went off and killed his wife. In 1983, a Mrs. Carson of Lake Kusahaqua, N.Y., was laid out

in her coffin, presumed dead of heart disease. As mourners watched, she suddenly sat up. Her daughter dropped dead of fright. A man hit by a car in New York in 1977 got up uninjured, but lay back down in front of the car when a bystander told him to pretend he was hurt so he could collect insurance money. The car rolled forward and crushed him to death.

Surprised while burgling a house in Antwerp, Belgium, a thief fled out the back door, clambered over a nine-foot wall, dropped down and found himself in the city prison.

In 1976 a twenty-two-year-old Irishman, Bob Finnegan, was crossing the busy Falls Road in Belfast, when he was struck by a taxi and flung over its roof. The taxi drove away and, as Finnegan lay stunned in the road, another car ran into him, rolling him into the gutter. It too drove on. As a knot of gawkers gathered to examine the magnetic Irishman, a delivery van plowed through the crowd, leaving in its wake three injured bystanders and an even more battered Bob Finnegan. When a fourth vehicle came along, the crowd wisely scattered and only one person was hit-Bob Finnegan. In the space of two minutes Finnegan suffered a fractured skull, broken pelvis, broken leg, and other assorted injuries. Hospital officials said he would recover.

While motorcycling through the Hungarian countryside, Cristo Falatti came up to a railway line just as the crossing gates were coming down. While he sat idling, he was joined by a farmer with a goat, which the farmer tethered to the crossing gate. A few moments later a horse and cart drew up behind Falatti, followed in short order by a man in a sports car. When the train roared through the crossing, the horse startled and bit Falatti on the arm. Not a man to be trifled with, Falatti responded by punching the horse in the head. In consequence the horse's owner jumped down from his cart and began scuffling with the motorcyclist. The horse, which was not up to this sort of excitement, backed away briskly, smashing the cart into the sports- car. At this, the sports-car driver leaped out of his car and joined the fray. The farmer came forward to try to pacify the three flailing men. As he did so, the crossing gates rose and his goat was strangled. At last report, the insurance companies were still trying to sort out the claims.

Two West German motorists had an all-too-literal head-on collision in heavy fog near the small town of Guetersloh. Each was guiding his car at a snail's pace near the center of the road. At the moment of impact their heads were both out of the windows when they smacked together. Both men were hospitalized with severe head injuries. Their cars weren't scratched.

In a classic case of one thing leading to another, seven men aged eighteen to twenty-nine received jail sentences of three to four years in Kingston-on-Thames, England, in 1979 after a fight that started when one of the men threw a french fry at another while they stood waiting for a train.

Hitting on the novel idea that he could end his wife's incessant nagging by giving her a good scare, Hungarian Jake Fen built an elaborate harness to make it look as if he had hanged himself. When his wife came home and saw him she fainted. Hearing a disturbance a neighbor came over and, finding what she thought were two corpses, seized the opportunity to loot the place. As she was leaving the room, her arms laden, the outraged and suspended Mr. Fen kicked her stoutly in the backside. This so surprised the lady that she dropped dead of a heart attack. Happily, Mr. Fen was acquitted of manslaughter and he and his wife were reconciled. An unidentified English woman, according to the London Sunday Express was climbing into the bathtub one afternoon when she remembered she had left some muffins in the oven. Naked, she dashed downstairs and was removing the muffins when she heard a noise at the door. Thinking it was the baker, and knowing he would come in and leave a loaf of bread on the kitchen table if she didn't answer his knock, the woman darted into the broom cupboard. A few moments later she heard the back door open and, to her eternal mortification, the sound of footsteps coming toward the cupboard. It was the man from the gas company, come to read the meter. "Oh," stammered the woman, "I was expecting the baker." The gas man blinked, excused himself and departed.

White Hair

One day, a little girl is sitting and watching her mother do the dishes at the kitchen sink. She suddenly notices that her mother has several strands of white hair sticking out in contrast on her brunette head.

She looks at her mother and inquisitively asks, "Why are some of your hairs white, mom?"

Her mother replied, "Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turns white."

The little girl thought about this revelation for a while, and then said, "Momma, how come *all* of grandma's hairs are white?"

A beautiful, voluptuous woman goes to see a gynaecologist. The doctor takes one good look at this woman and his professionalism is a thing of the past. Right away he tells her to undress. After she has disrobed he begins to stroke her thigh.

As he does he says to the woman: "Do you know what I`m doing ?"

"Yes," she says, "you`re checking for any abrasions or dermatological abnormalities."
"Correct," says the doctor.

He then begins to fondle her breasts. "Do you know what I`m doing now", he says.
"Yes," says the woman, "you`re checking for any lumps or breast cancer."

"That`s right," replies the doctor. He then gradually proceeds to having sexual intercourse with her. "Do you know," he pants "what I`m doing now?"

"Yes," she says. "You`re getting herpes."

Young Salesman

A married woman is having an affair. Whenever her lover comes over, she puts her nine year old son in the closet. One day the woman hears a car in the driveway and puts her lover in the closet, as well.

Inside the closet, the little boy says, "It's dark in here, isn't it?"

"Yes it is," the man replies.

"You wanna buy a baseball?" the little boy asks.

"No thanks," the man replies.

"I think you do want to buy a baseball," the little extortionist continues.

"OK. How much?" the man replies after considering the position he is in.

"Twenty-five dollars," the little boy replies.

"TWENTY-FIVE DOLLARS?!" the man repeats incredulously, but complies to protect his hidden position.

The following week, the lover is visiting the woman again when she hears a car in the driveway and, again, places her lover in the closet with her little boy.

"It's dark in here, isn't it?" the boy starts off.

"Yes it is," replies the man.

"Wanna buy a baseball glove?" the little boy asks.

"OK. How much?" the hiding lover responds, acknowledging his disadvantage.

"Fifty dollars," the boy replies and the transaction is completed..

The next weekend, the little boy's father says "Hey, son.

Go get your ball and glove and we'll play some catch."

"I can't. I sold them," replies the little boy.

"How much did you get for them?" asks the father, expecting to hear the profit in terms of lizards and candy.

"Seventy-five dollars," the little boy says.

"SEVENTY-FIVE DOLLARS?! That's thievery! I'm taking you to the church right now. You must confess your sin and ask for forgiveness", the father explains as he hauls the child away.

At the church, the little boy goes into the confessional, draws the curtain, sits down, and says "It's dark in here, isn't it?"

"Don't you start that crap in here," the priest says.

American Spaceman is called Astronaut
Russian Spaceman is called Cosmonaut
Chinese Spaceman is called Taikonaut
Malaysian Spaceman??? - Can-or-naut

Datuk Najib was thinking about sending somebody into space. Three potential can-or-nauts were called for an interview - one Indian, one Malay and one Chinese.

Najib interviews the Indian first: "So, Muthu, this is a dangerous mission. How much do you think you should be paid?"
Muthu replied: "Ten million ringgit."
"Why so much?" asks Najib.
"Very dangerous mission, Datuk. Maybe no come back!" replied Muthu.
"That's understandable," says Najib. "Thank you.."

Please ask the Malay guy to come here,"
So the Malay walks up, and is asked the same question.
"Alamak!...20 million, Datuk," replied the Malay candidate.
"Twenty million? That's twice as much! Even the aneh before you asked for only ten million."
"You see, Datuk," explains Mat, "I have 4 wives and 15 children ... With 20 of us, it is a big family to support when I am gone...!"
"I see," says D.Najib. "Okay, can you ask that Chinese guy to come then?"

The Chinese guy comes in and Najib asks, "Ah Chong, given this is a very risky mission, how much do you want?"
Ah Chong thinks for a while, and says, "30 million."
Najib appears shocked. "What?!? 30 million!
Why so much?"
Ah Chong beckons Najib to come closer.
He quietly whispers into his ear,
"Datuk, you take 10 million, i take 10 million,
and then use the extra ten million, send that aneh to space lah!"

And...the Muthu was finally sent out to space.....

WOMEN...:laugh:

WOMEN'S REVENGE

"Cash, check or charge?" I asked, after folding items the woman wished to purchase. As she fumbled for her wallet I noticed a remote control for a television set in her purse.

So, do you always carry your TV remote?" I asked.

No," she replied, "but my husband refused to come shopping with me, so I figured this was the most legal evil thing I could do to him."

UNDERSTANDING WOMEN (A MAN'S PERSPECTIVE)

I know I'm not going to understand women. I'll never understand how you can take boiling hot wax, pour it onto your upper thigh, rip the hair out by the root, and still be afraid of spider.

CIGARETTES AND TAMPONS

A man walks into a pharmacy and wanders up and down the aisles. The sales girl notices him and asks him if she can help him. He

answers that is looking for a box of tampons for his wife. She directs him down the correct aisle.

A few minutes later, he deposits a huge bag of cotton balls and ball of string on the counter.

She says, confused, "Sir, I thought you were looking for some tampons for your wife?"

He answers, " You see, it's like this, yesterday, I sent my wife to the store to get me a carton of cigarettes, and she came back

with a tin of tobacco and some rolling papers; cause it's soooooo much cheaper. So, I figure if I have to roll my own . so does she.

WIFE VS HUSBAND!

A couple drove down a country road for several miles, not saying a word. An earlier discussion had led to an argument and neither of them wanted to concede their position. As they passed a barnyard of mules, goats, and pigs, the husband asked sarcastically, "Relatives of yours?"

Yep," the wife replied, "in-laws."

AND A FEW MORE

A husband read an article to his wife about how many words women use a day... 30,000 to a man's 15,000. The wife replied, "The reason has to be because we have to repeat everything to men..."

The husband then turned to his wife and asked, "What?"

A man said to his wife one day, "I don't know how you can be so stupid and so beautiful all at the same time."

The wife responded, "Allow me to explain. God made me beautiful so you would be attracted to me; God made me stupid so I would be attracted to you!"

A man and his wife were having an argument about who should brew the coffee each morning.

The wife said, "You should do it, because you get up first, and then we don't have to wait as long to get our coffee."

The husband said, " You are in charge of cooking around here and you should do it, because that is your job, and I can just wait for my coffee."

Wife replies, "No, you should do it, and besides, it is in the Bible that the man should do the coffee."

Husband replies, "I can't believe that, show me."

So she fetched the Bible, and opened the New Testament and showed him at the top of several pages, that it indeed says....

top Dog

The Israelis and Arabs finally realized that if they continued fighting, they would someday end up destroying the world. So they sat down and decided to settle the whole dispute with a dogfight. The negotiators agreed that each country would take five years to develop the best fighting dog they could. The dog that won the fight would earn its country the right to rule the disputed areas. The losing side would have to lay down its arms.

The Arabs found the biggest, meanest Dobermans and Rottweilers in the world. They bred them together and then crossed their offspring with the meanest Siberian wolves. They selected only the biggest, strongest puppy from each litter, killed all the other puppies and fed them the best food. They used steroids and trainers in their quest for the perfect killing machine.

After the five years were up, they had a dog that needed iron prison bars on its cage. Only the trainers could handle this beast. When the day of the big fight arrived, the Israelis showed up with a strange animal. It was a nine-foot-long Dachshund.

Everyone felt sorry for the Israelis. No one else thought this weird animal stood a chance against the growling beast in the Arab camp. The bookies predicted the Arabs would win in less than a minute. The cages were opened. The Dachshund waddled toward the center of the ring.

The Arab dog leapt from his cage and charged the giant wiener-dog. As he got to within an inch of the Israeli dog, the Dachshund opened its jaws and swallowed the Arab beast in one bite. There was nothing left but a small bit of fur from the killer dog's tail.

The Arabs approached the Israelis, shaking their heads in disbelief. 'We do not understand,' said their leader. 'Our top scientists and breeders worked for five years with the meanest, biggest Dobermans and Rottweilers. They developed a killing machine.'

'Really?' the Israeli General replied. 'For five years, we've had a team of Jewish plastic surgeons in Beverly Hills working to make an alligator look like a Dachshund.'

Membership Privileges

A man joins a very exclusive nudist colony. On his first day there he takes off his clothes and starts to wander around.

A gorgeous petite blonde walks by, and the man immediately gets an erection. The woman notices his erection, comes over to him and says, "Did you call for me?" The man replies, "No, what do you mean?" She says, "You must be new here. Let me explain. It's a rule here that if you get an erection, it implies you called for me." Smiling, she leads him to the side of the swimming pool, lies down on a towel, eagerly pulls him to her and happily lets him have his way with her.

The man continues to explore the colony's facilities. He enters the sauna and as he sits down, he farts.

Within minutes a huge, hairy man lumbers out of the steam room toward him, "Did you call for me?" says the hairy man.

"No, what do you mean?" says the newcomer. "You must be new," says the hairy man, "it's a rule that if you fart, it implies that you called for me." The huge man easily spins him around, bends him over a bench and has his way with him.

The newcomer staggers back to the colony office, where he is greeted by the smiling, naked receptionist, "May I help you?" she says. The man yells, "Here's my membership card. You can have the key back and you can keep the \$500 membership fee."

"But, Sir," she replies, "you've only been here for a few hours. You haven't had the chance to see all our facilities." The man replies, "Listen lady, I'm 68 years old. I only get an erection once a month. I fart 15 times a day."

Wanda's dishwasher quit working, so she called a repairman.

Since she had go to work the next day, she told the repairman "I'll leave the key under the doormat. Fix the dishwasher and leave the bill on the counter. I'll mail you a check..oh by the way, don't worry about my dog Spike, he won't bother you. But whatever you do, do NOT under any circumstances, talk to my parrot! I REPEAT DO NOT TALK TO MY PARROT!!!"

When the repairman arrived at Wanda's apartment the following day, he sees the biggest meanest looking dog he has ever seen. But just as the woman said, the dog just laid there on the carpet watching the repairman go about his work. The parrot, however was driving him nuts the whole time with his constant, yelling cursing and name-calling.

Finally, the repairman couldn't take it any longer yelled, "Shut up, you stupid ugly bird!!!"

To which the parrot replied, "Get him Spike!!!"

A certain young man finally got a date with a female of somewhat questionable morals that lived in his apartment complex. To prepare for his big date, the young man went up on to the roof of his apartment building in order to tan himself. Not wanting any tan lines to show, he sunbathed in the nude.

Unfortunately, he fell asleep while on the roof and managed to get a sunburn on his "tool". But, determined not to miss his date, he put some lotion on his manhood and wrapped it in gauze.

When the hot date showed up at his apartment, the young man treated her to a home cooked dinner, after which they went into the living room to watch a video. During the video, however, the young man's sunburn started acting up again. He asked to be excused, went into the kitchen and poured a tall, cool glass of milk. He then placed his sunburned member in the milk and experienced immediate relief of his pain.

The date, meanwhile, wondering what he was doing, wandered into the kitchen to see him with his dinky immersed in a glass of milk. Upon seeing this, she exclaimed - "So, that's how you guys load those things!"

"I am the master of all these women. No one else can touch them except me. You three men must pay for what you have done today. You will be punished in a way corresponding to your profession."

The sheik turns to the first man and asks him what he does for a living. "I'm a cop", says the first man. "Then we will shoot your penis off!", said the sheik.

He then turned to the second man and asked him what he did for a living. "I'm a firemen", said the second man. "Then we will burn your penis off!", said the sheik.

Finally, he asked the last man, "And you, what do you do for a living?" And the third man answered, with a sly grin, "I'm a lollipop salesman!"

Re:Jokes - Bill Gates: Heaven or Hell?

Bill Gates: Heaven or Hell?

Bill Gates dies in a car accident. He finds himself in purgatory, being sized up by St. Peter.

"Well, Bill, I'm really confused on this call; I'm not sure whether to send you to Heaven or Hell. After all, you enormously helped society by putting a computer in almost every home in America, yet you also created that ghastly Windows '95. I'm going to do something I've never done before in your case; I'm going to let you decide where you want to go."

Bill replied, "well, what's the difference between the two?" St. Peter said, "I'm willing to let you visit both places briefly, if it will help your decision."

"Fine, but where should I go first?"

"I'll leave that up to you."

"Okay then," said Bill, "Let's try Hell first."

So Bill went to Hell. It was a beautiful, clean, sandy beach with clear waters and lots of bikini-clad women running around, playing in the water, laughing and frolicking about. The sun was shining; the temperature perfect. He was very

pleased.

"This is great!" he told St. Peter. "If this is hell, I REALLY want to see heaven!" "Fine," said St. Peter, and off they went.

Heaven was a place high in the clouds, with angels drifting about, playing harps and singing. It was nice, but not as enticing as Hell.

Bill thought for a quick minute, and rendered his decision. "Hmmm. I think I'd prefer Hell," he told St. Peter.

"Fine," retorted St. Peter, "as you desire."

So Bill Gates went to Hell.

Two weeks later, St. Peter decided to check on the late billionaire to see how he was doing in Hell. When he got there, he found Bill, shackled to a wall, screaming amongst hot flames in dark caves, being burned and tortured by demons.

"How's everything going?" he asked Bill.

Bill responded, with his voice filled with anguish and disappointment, "This is awful! This is nothing like the Hell I visited two weeks ago! I can't believe this is happening! What happened to that other place, with the beautiful beaches, the scantily-clad women playing in the water?!???"

"That was a demo," replied St. Peter.

And then the fight started

My wife sat down on the couch next to me as I was flipping channels.

She asked, 'What's on TV?'

I said, 'an inch of dust!!'

And then the fight started...

My wife was hinting about what she wanted for our upcoming anniversary.

She said, 'I want something shiny that goes from 0 to 150 in about 3 seconds.'

I bought her a scale.

And then the fight started...

When I got home last night, my wife demanded that I take her someplace expensive... so, I took her to a gas station.

And then the fight started...

My wife and I were sitting at a table at my high school reunion, and I kept staring at a drunken lady swigging her drink as she sat alone at a nearby table.

My wife asked, 'Do you know her?'

'Yes,' I sighed, 'She's my old girlfriend. I understand she took to drinking right after we split up those many years ago, and I hear she hasn't been sober since.'

'My God!' says my wife, 'who would think a person could go on celebrating that long?'

And then the fight started...

I took my wife to a restaurant. The waiter, for some reason, took my order first.

"I'll have the strip steak, medium rare, please."

He said, "Aren't you worried about the mad cow?""

Nah, she can order for herself."

And then the fight started...

A woman is standing nude, looking in the bedroom mirror. She is not happy with what she sees and says to her husband, 'I feel horrible; I look old, fat and ugly. I really need you to pay me a compliment.'

The husband replies, 'Your eyesight's damn near perfect.'

And then the fight started.....

A man and a woman were asleep like two innocent babies. Suddenly, at 3 o'clock in the morning, a loud noise came from outside. The woman, bewildered, jumped up from the bed and yelled at the man 'Holy crap. That must be my husband!'

So the man jumped out of the bed; scared and naked jumped out the window.

He smashed himself on the ground, ran through a thorn bush and to his car as fast as he could go.

A few minutes later he returned and went up to the bedroom and screamed at the woman, 'I AM your husband!'

The woman yelled back, 'Yeah, then why were you running?'

And then the fight started.....

I asked my wife, "Where do you want to go for our anniversary?" It warmed my heart to see her face melt in sweet appreciation.

"Somewhere I haven't been in a long time!" she said.

So I suggested, "How about the kitchen?"

And that's when the fight started....

My wife and I are watching Who Wants To Be A Millionaire while we were in bed. I turned to her and said, "Do you want to have sex?"

"No," she answered.

I then said, "Is that your final answer?"

She didn't even look at me this time, simply saying "Yes."

So I said, "Then I'd like to phone a friend."

And that's when the fight started....

Indian goes shopping...

THIS ONE IS FUNNY

...

An Indian goes to Australia and goes to Woolworths (A grocery store in Australia). He finds cat food at special prices. He picks a dozen cans of cat food and goes to check out.

The Manager gets suspicious.. He thinks that this guy cannot have a cat and will probably feed cat food to his kids. He asks the Indian to show him his cat before he could let him have cat food. The Indian goes home and returns with a cat and gets to buy the cat food.

Next week the Indian finds dog food at special prices. He picks a dozen cans of dog food and goes to check out.

The Manager again gets suspicious. He thinks that this guy has a cat but he cannot have a dog and he will probably feed dog-food to his kids. He asks the Indian to bring and show him the dog before he can let him have dog food.

The Sardar goes home and returns with a dog. He gets to buy the dog food.
Next week the Indian comes to Woolworths with a bag. He asks the manager to put his hand in the bag.
The Manager puts his hand in the bag, feels some thing slimy and immediately takes it out. He shouts at the Indian,
What the F*** is this? Is this shit you idiot?
The Indian calmly replies, "Yes, and I want to buy toilet paper."

Sperm Count!

OLD people have problems that you haven't even considered yet!

An 75 year-old man was requested by his doctor for a sperm count as part of his physical exam.

The doctor gave the man a jar and said, 'Take this jar home and bring back a semen sample tomorrow.'

The next day the 75-year-old man reappeared at the doctor's office and gave him the jar, which was as clean and empty as on the previous day..

The doctor asked what happened and the man explained, 'Well, doc, it's like this. First I tried with my right hand, but nothing. Then I tried with my left hand, but still nothing.

'Then I asked my wife for help. She tried with her right hand, then with her left, still nothing. She tried with her mouth, first with the teeth in, then with her teeth out, still nothing.

'We even called up Arleen, the lady next door and she tried too, first with both hands, then an armpit, and she even tried squeezin' it between her knees, but still nothing.'

The doctor was shocked! 'You asked your neighbour?'

The old man replied, 'Yep, none of us could get the jar open.'

Howard

An Arkansas Farmer got in his pickup and drove to a neighboring farm and knocked at the farmhouse door. A young boy about 12 opened the door.

"Is yer paw home?" the farmer asked.

"No sir, he ain't," the boy replied. "He went into town."

"Well, said the farmer, is yer maw here?"

"No, sir, she ain't here neither. She went into town with paw."

"How about your brother, Howard? Is he here?"

"He went with maw and paw."

The farmer stood there for a few minutes, shifting from one foot to the other and mumbling to himself.

"Is there anything I can do fer ya?" the boy asked politely.

"I knows where all the tools are, if you want to borrow one.

Or maybe I could take a message fer paw."

"Well," said the farmer uncomfortably, "I really wanted to talk to yer paw. It's about your brother Howard getting my daughter, Pearly Mae, pregnant."

The boy considered for a moment. "You would have to talk to Pa about that," he finally conceded. "If it helps you any, I

know that Pa charges \$50 for the bull and \$25 for the hog, but I really don't know how much he gets fer Howard."
